## Notice

All the students and staff members of GSMCOE are hereby inform that, 'Electronics & Telecommunication Department' is organizing a visit to 'Apna Ghar Orphanage at Hinjewadi in order to help the needy by distributing basic food items listed below.

We discussed with Management of organization about the conditions and requirements of needy womens in the orphanage, in order to give our little contribution to their orphanage home. Activity will be held on 11<sup>th</sup> Jan 2023.

All the collection of the help will be used for donating the Food items to the Orphanage. There are total 80 womens are there from age 26 Years to 90 Years.

Accordingly, we are planning to provide donation in the forms.

1. Sugar/Jaggery
2. Tea
3. Oil/Ghee
4. Rice/Rawa/Poha
5. Biscuits
6. Ground nuts
7. Any Stationary Items (Notebook, Pen, Pencils, etc.)

Those who wish to help 'Orphanage Home' they can contribute.

For further information please contact below faculty coordinator.

We will look forward for your help who are interested to donate to Orphanage Home.

To,

The Principal,

GSMCOE, Balewadi,

Pune

Subject: Request to grant the permission for Orphan Visit to “Apna Ghar Ashram”,  
Hinjawadi on 11th Jan, 2023.

Respected Sir,

With reference to subject mentioned above we want to arrange Orphan visit for the  
Second Year, Third Year and Final Year students of E&TC Engineering Dept.

The Apna Ghar Orphan House is situated at Hinjewadi, which is 8 km approximately  
away from our college. It's a kind request to grant us permission for the same along with 15  
students and 6 faculty members to visit this Orphan on 11 Jan,2023 (MONDAY).

Thanking You

Prof. Marshalata Toke  
(Coordinator)

## Visit Report - Orphanage Home – “Apna Ghar Ashram”

Wednesday, 11 January 2023; Student of Genba Sopanrao Moze College of Engineering, E&TC department, along with faculty members visited Apna Ghar Ashram an Orphanage in Hinjewadi, Pune. Apna Ghar Ashram is home for orphanage Physically Disabled women. 15 student volunteers from SE E&TC accompanied by Faculty Coordinators Prof. Sushma Patwardhan (HOD E&TC), Prof. Harshalata Mahajan, Prof. Sujata Girawale, Prof. Meegha Beedkar, Prof. Reena Asati, Prof. Shruti Regal in association with WILLPOWER Foundation visited the place.

Apna Ghar is the Ashram who provides hope for millions of homeless, helpless, destitute, oppressed, abandoned, mentally and physically sick, injured, infected adults and defenseless individual who struggle for their basic needs.

Apna Ghar Ashram is run by Mr. Rajheev Agarwal. At present 80 orphan Women between 26 to 90 age are living in Apna Ghar Ashram. They are accompanied with 2 Nurse for 24 hrs, 4 staff members along with 20 Housekeeping staff and caretaker. 2 doctors visit and check orphan women every Saturday and Sunday.

We reached the Orphanage at around 10:30 AM. The Womens of Apna Ghar Ashram were very excited to receive the members.

The Women of the orphanage were touched by the activity program conducted by the students of GSMCOE and Willpower foundation for them like Interactive Talk, Singing, Dance performance, and Group dance played with them to make the environment lively and lighter.

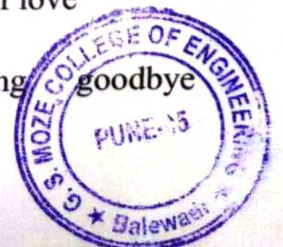

We also met the Manager and caretaker. While interacting with the caretaker, we got to know the history of the orphanage how it was established. We visited all the floors in Ashram and meet bed ridden women's. Hygiene was maintained all over the ashram.

At the end we donated few Food Items (Rice, Wheat, Poha, Rava, Groundnuts, Chips, Chikki, Biscuits etc) as a small contribution from E&TC Dept as a token of love

The team spent an about three hours with the orphan women's before saying

to them. The visit to the orphanage was a fulfilling experience for all students and faculty members as we came back with not only memories but also some valuable lessons. It was indeed very satisfying experience for students, as they could bring smiles on orphan women's faces. They realized that one should contribute and understand his / her social responsibilities towards society.

Subject: Request for Departmental Visit to Orphanage.

Respected Mam,

I am writing to you on behalf of the Computer Engineering Department at Genba Soprano Moze College Of Engineering, Balewadi Pune, 411057. As the Head of the Department, I am reaching out to discuss the possibility of organizing a visit to your esteemed orphanage.

We believe that visiting your orphanage would not only provide our team with an opportunity to contribute positively to society but also allow us to understand the challenges faced by orphaned children and explore potential avenues for support and collaboration.

We are keen on discussing any specific needs or areas where our department can offer assistance, whether it be through volunteering, donations, or other forms of support. Therefore, we would greatly appreciate it if you could suggest a suitable date and time for our visit.

Please consider this letter as a formal request for our departmental visit to your orphanage. We are genuinely excited about the prospect of collaborating with your organization and making a positive impact on the lives of the children under your care.

Thank you for considering our request. We look forward to your favourable response and the opportunity to visit your orphanage.

Warm regards,  
Prof.BhartiKudale

**NOTICE**

All the students and staff of Computer Department are hereby informed that our department has planned upcoming visit to ‘Orphanage Home-AniketSevabhaviSanstha’. This visit aims to promote a sense of social responsibility among our community members provide an opportunity for both students and faculty to interact with the children at the orphanage and contribute positively to their lives.

Date: 11<sup>th</sup> Jan 2023 Time: 12:30 PM- 3:30 PM

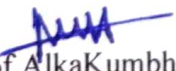

Meeting Point: Genba Soprano Moze College of Engineering, Balewadi.

During this visit, students will have the chance to engage in various activities with the children, learn about their daily lives, and understand the challenges they face. We believe that such experiences not only foster empathy and compassion but also promote a sense of social responsibility among our community members. All students and faculty members are encouraged to participate in this meaningful initiative.

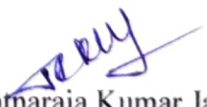

If you are interested in joining us for this visit, please sign up at college campus by 12:15 PM .

For any inquiries or further information, please contact 9011491667

Let us come together as a community to make a positive difference in the lives of those in need. We look forward to your participation in this visit to the orphanage.

## Orphanage Visit Report

### Introduction:

On 16<sup>th</sup> Jan 2023 Genba Sopanrao Moze College of Engineering, Balewadi organized a visit to Aniket Sevabhavi Sanstha, Residential Rehabilitation Centre For Specially-Abled Individuals Urawade, Pune-412115. There are many childrens who are complete orphans because they were abandoned due their mental condition and many children are left there permanently by known parents who offer little or no support to their care. The goal is help these special kids stand in unison with their peers and make them self-sufficient in their own capacity within their capabilities. At the institution, the children help each other, look after one another under the guidance of well trained staff who act as their only family.

### About the Orphanage:

The ANIKET Sevabhavi Sanstha journey began out of the determination and ambition of Ms. Kalpana Varpe to provide refuge, rehabilitation, education and most importantly, a place to call home for the children of the section of society who are deemed 'mentally retarded', rejected and ruthlessly abandoned by the poorer socio-economic strata.

Aniket Sevabhavi Sanstha is located in the peaceful urban area. ANIKET Sevabhavi Sanstha is a small organisation, but one where each individual who is taken in for refuge becomes a part of the ANIKET family and given a place to call HOME for life.

The group of childrens is done on the basis of IQ and they are clubbed together for studies accordingly. As children grow up beyond the age of 18 years, they are shifted to their

Rehabilitation unit and engaged them in special workshops.

### Facilities Offered:

- The place comprises of Ground floor Big hall for activity of childrens like dance drawing and more others, security room, dining space, kitchen, storage and admin space.

**“EMPOWERMENT THROUGH TECHNOLOGICAL EXCELLENCE”**  
**GENBA SOPANRAO MOZE COLLEGE OF ENGINEERING**  
**Department of Computer Engineering**  
**Academic Year 2022-23 / SEM-I**

- The place was very clean and structured.
- Children have a set daily route and a meal plan for the week.
- Their dining etiquettes were very disciplined

### **Number of Children:**

Currently the AniketSevabhaviSanstha is home to 55 children. The age range of the children varies from age 4 years to 46 Years reflecting the diverse composition of the orphanage community. Despite their differing backgrounds and circumstances, the children share a bond forged by their shared experiences, creating a supportive and nurturing environment within the orphanage.

The orphanage is staffed by a dedicated team of caregivers and volunteers who work tirelessly to ensure the well-being and happiness of the children. Through their collective efforts, the orphanage provides a safe and loving home where children can thrive and grow.

Overall, AniketSevabhaviSanstha stands as a beacon of hope and support for specially-abled children, offering them a nurturing environment and the opportunity to build brighter futures.

### **Activities:**

- Interaction with Children: We spent time engaging with the children through games, storytelling, and conversation.
- Tour of Facilities: We were given a tour of the orphanage facilities to understand their living arrangements and daily routines.
- Donation: We distributed essential items in terms of grocery collected through donations from our college community.

### **Outcomes:**

- Increased awareness about the challenges faced by orphaned children.
- Strengthened bonds between our college and the orphanage.
- Provided tangible support to improve the lives of the children.

**Conclusion:** The visit to AniketSevabhaviSanstha was a rewarding experience for all involved. We are committed to continuing our support for the orphanage and look forward to future collaborations.

**Notice:- Old Age Home Fund raising .**

All Staff members of GSMCOE are hereby inform that, "MCA Department" is organizing a visit to an "Old Age Home- Tapas" in order to help the elderly people suffering from Dementia. Tapas is a social enterprise with the holistic approach of the care for the senior segment of the society. Tapas is a dementia care unit for elderly people. It provides assisted living home for individuals with special needs. It also provides acute care for behavioural and psychological symptoms of dementia. We discussed with the management of an organization about the condition and requirements of the elderly people, in order to give our little contribution to their old age home. We are planning to visit this old age home on 18<sup>th</sup> Jan 2023 at 10:00 AM.

All the collection of the help will be used for donating the food items to the elderly People. There are 60 elderly people and 30 staff members. Accordingly, we are planning to donate food in the form of Soft digestive food items like refreshments and fruits.

Those who wish to help "Old Age people" they can contribute in the form of donations. Donation box will be kept in the office and it will be circulated in the departments also for better reach.

We are looking forward for your help who are interested to Donate for "Old Age people".

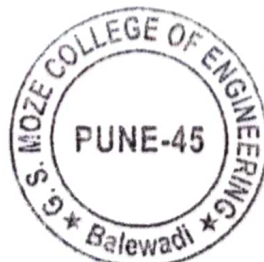

Thank you,

“DEPARTMENT OF MASTER OF  
COMPUTER APPLICATION”

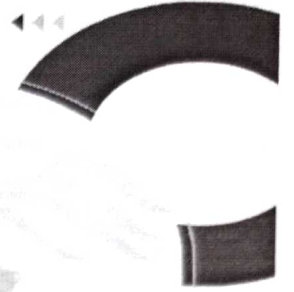

“तपस ELDER CARE” visit report

As a social responsibility we department of Master of computer Application (MCA) from G.S. Moze College of Engineering, Balewadi, Pune decided to visit some elder care center since the problems faced by the old age people suffering from disease like dementia which implies a decline in the functional ability of the brain is very difficult. We realized that in spite of the illness every individual has his own unique persona. We thought let's understand that and try to help them to extent. So we searched and we found that “तपस ELDER CARE” In Sanskrit, the ardent, pointed, self – transcending passion is called TAPAS. The reverent it as an unsurpassable creative force. TAPAS was conceived with a vision of holistic care of the most integral part of the society, the geriatric segment ... which is most affected by the change of TIME.

So we decided and visited the place on 18th Jan 2023. On that day we enjoyed a lot by giving them music therapy and understood the concept of real joy. Our students enjoyed a lot by spending quality time. They also understood their contributions towards the elder people who are living in the society. We are thankful to management and Principal Dr. Ratnraj Kumar Jambhi sir to give us opportunity for the same. I am really very much thankful to all faculties and students of MCA department for participation, contribution and enthusiasm. Some glimpses are also attached with this report.

The Sub inspector

Chaturshringi Police Station,

Pune

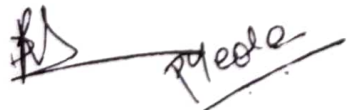

Respected Sir,

We are from G.S Moze College of Engineering, MCA Department, Balewadi. We would like to organize Road Safety Awareness Campaign as a part of co-curricular activity (Audit course) of MCA students. As a part of Curriculum we would like to organize this event on 14<sup>th</sup> January 2023 i.e on Saturday at 9.30 am. To 10.30 am. We will start this activity from our college campus to Bharti Vidhyapeeth School, Balewadi. During this awareness program, we would like to cover following Objectives :-

- Explain importance of road safety and risks associated with unsafe driving
- Explain social, economic, psychological impact of road crash injuries and fatalities
- Explain good practices including the use of helmet, seat belts, observing traffic rules, and understanding of traffic signs, etc..

Kindly give us permission to conduct this campaign. We will make sure that we will not disturb regular traffic. Attaching course Syllabus copy for your reference.

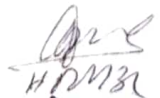

Thank you,

## “DEPARTMENT OF MASTER OF COMPUTER APPLICATION”

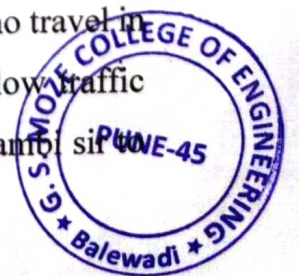

### “ROAD SAFTY DRIVE ” visit report

As a social responsibility we department of Master of computer Application (MCA) from G.S. Moze College of Engineering, Balewadi, Pune in collaboration with R.T.O decided to conduct Road safety awareness campaign on 14th Jan 2023 . We realized that in India, about 1.4 lakh persons are killed in road crashes every year, while many more get injured and disabled for life. Youth in the age group of 15 to 24 years comprise 33% of the total fatalities. This campaign starts at 9:30am from G.S. Moze College of Engineering, Balewadi, and Pune main gate to Bharti vidhyapeeth English medium school, Balewadi Pune.

More than 60+ students and faculty member of department participate in this Campaign .The participants reached out to the public and explained them about road safety. During awareness rally of this campaign, the campaigners carried placards highlighting the importance of road safety and fatal risks caused by vehicles. Besides variety of educational banners, safety posters, pocket guides .Students had penned these slogans out of concern for road safety as they see an alarming rise in road accidents. To be motivated about the road safety while travelling on road means having planned, well-organized and professional way traveling. People who travel in unprofessional way were requested to use road safety measures and follow traffic rules. We are thankful to management and Principal Dr. Ratnraj Kumar Jambhale sir

### Department of MBA

Date: 03.02.2023

#### Notice

All students of MBA (FY & SY) are hereby informed that there will be a CSR activity focused on Road Safety for Radha Chowk Junction, scheduled to take place on 10.02.2023. This initiative is part of our commitment to give back to the community and foster a culture of safety and responsibility among our students. The primary objective of this activity is to raise awareness about road safety measures and reduce the number of accidents and injuries within our locality near Balewadi, Radha Chowk, Pune.

Purpose:

- To promote the consequence of road safety.
- To encourage responsible driving and pedestrian habits.
- To collaborate with local traffic authorities to spread awareness effectively.

Venue: Main Gate, GSMCOE, Balewadi

Time: 10:00 AM to 12:30 PM

Activities: assistance in traffic management and control measures, interactive sessions with traffic officials near Radha Chowk.

All students are requested to attend this activity and be present.

### Department of MBA

#### Visit Report- Road Safety

On the 10th of February 2023, the MBA students of Genba Sopanrao Moze College of Engineering (GSMCOE) participated in a CSR activity focused on Road Safety for Radha Chowk Junction near Balewadi, Orchids Hotel. This event was held near Radha Chowk, Pune, from 10:00 AM to 12:30 PM. The primary objective of the activity was to raise awareness about road safety measures and to reduce the number of accidents and injuries within the locality of Balewadi, near Radha Chowk, Pune.

The main purpose of the event was-

- To promote the consequences of road safety.
- To encourage responsible driving and pedestrian habits.
- To collaborate with local traffic authorities to spread awareness effectively.

Radha Chowk was selected as the activity zone for the CSR initiative on road safety due to several key factors: High Traffic Volume: Radha Chowk is a bustling area with significant vehicular and pedestrian traffic, making it a critical point for road safety awareness.

10-12 students of MBA along with faculties assisted traffic officials around the Chowk area in managing the traffic flow, helping pedestrians cross roads safely, and ensuring that traffic rules were being followed. Students engaged in interactive sessions with traffic officials, gaining insights into the challenges of traffic management and the importance of road safety. Participants distributed educational pamphlets and spoke to commuters about the significance of road safety measures. We reached the traffic junction near Radha Chowk, at around 10:15 AM. Students and volunteers for the activity distributed educational pamphlets and spoke to commuters about the significance of road safety measures. The traffic police were interacted for a duration of 30 minutes to understand the cause of the peak hour traffic at the chowk area irrespective of weekdays and weekends. Also, the location is central to the Hinjewadi office community, allowing for effective engagement with many residents and commuters. One important insight was highlighted during the interaction- the chowk is easily accessible for commuters travelling from Hinjewadi and towards the city so a major junction it was and management was highly important. The choice of Radha Chowk aligns with the objectives of promoting road safety and fostering responsible driving and pedestrian habits, making it an ideal location for this important social activity.

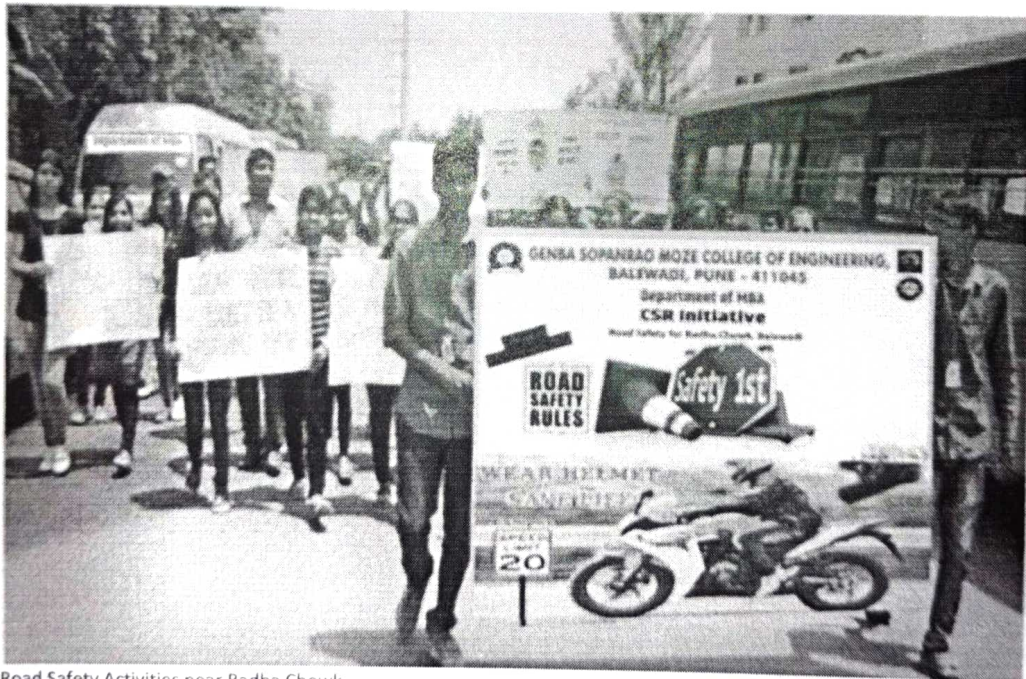

The team spent about 2.5 hours with commuters, public and helped the traffic control. Road safety CSR was a fulfilling experience for students of MBA to be part of community connection: engaging in CSR allows students to connect with the community, understand social issue like city traffic, and contribute positively to the local environment.

Some glimpses of the road safety CSR event as below.

**REPORT ON “DIGITAL LITERACY”**

To bring a reform in the society we, the department of Information Technology, G.S. Moze College of Engineering, Balewadi, Pune in collaboration with Redcross planned to visit Mahalunge village in Pune to literate the rural women who are digitally illiterates on 21/01/2023 as a part of Social Activity.

The main motive of the event was to provide Digital Literacy to Digitally Illiterate people which has been successfully completed. We had met a group of around 20 women from Mahalunge & literate those women about Online Ticket Booking for Buses, Trains, Flights, doing Online Transactions through various payment gateways including Gpay, Phonepe, paytm etc. Our students gave a demo of installing various apps in their mobiles & even creating & sending Emails. The women were happy & expressed their gratitude to us & the responses received were positive.

We are grateful to the Management and Principal, Dr. Ratnaraja Kumar Jambi for giving us an opportunity to bring a social reform. We are thankful to all the faculties & students of the IT department without whom this event wouldn't have been a grand success.

## Report on Blood Donation Camp with Armed Force Medical College A Lifesaving Endeavor

### Introduction:

The blood donation camp with Armed Force Medical College was organized on 13.10.2022 at Genba Sopanrao Moze College of Engineering (GSMCOE), Balewadi, Pune. The camp aimed to collect blood donations to support the medical needs of soldiers. This report highlights the key aspects of the camp, including its organization, outcomes, and impact.

### Organization of the Camp:

The blood donation camp was organized by GSMCOE, in collaboration with Armed Force Medical College Volunteers were trained to assist in registration, screening, and donation processes. Medical professionals were present to supervise the camp and ensure the safety of donors. Donors were required to meet certain eligibility criteria, including age, weight, and general health conditions. Each donor underwent a thorough screening process to assess their suitability for donation. Those deemed eligible proceeded to the donation area, where trained phlebotomists collected their blood. Donors were provided with refreshments and rest areas post-donation to ensure their well-being.

### Outcomes:

The blood donation camp was a resounding success, with [67] units of blood collected. This significant contribution will play a crucial role in supporting the medical needs of soldiers, especially in emergency situations or during surgical procedures. The camp also helped raise awareness about the importance of voluntary blood donation and its impact on saving lives.

### Impact:

The blood collected during the camp will be used to treat soldiers injured in the line of duty, as well as those undergoing medical treatments. The camp not only provided a vital resource for the medical care of soldiers but also fostered a sense of community and solidarity among donors and volunteers.

### Conclusion:

The blood donation camp for soldiers was a commendable initiative that showcased the altruism and generosity of the community. The event not only met its objectives but also exceeded expectations in terms of participation and impact. Such initiatives are crucial in ensuring the well-being of our soldiers and serving as a beacon of hope for those in need.

### Recommendations:

To further enhance the impact of future blood donation camps, it is recommended to:

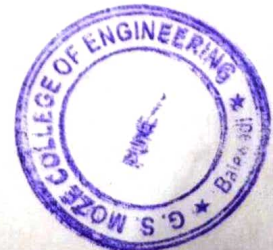

Increase awareness through targeted campaigns and collaborations with local organizations.

Enhance volunteer training to ensure a smooth and efficient donation process.

Establish partnerships with hospitals and medical facilities to streamline the use of donated blood for soldiers' medical needs. Glimpses of the camp.

Dated: 27<sup>th</sup> January 2023

**Notice for Cyber Security Workshop**

All students of GSMCOE, we are excited to announce a Cyber Security Workshop at Genba Sopanrao Moze College of Engineering (GSMCOE), Balewadi, Pune. This workshop aims to enhance your understanding of cybersecurity and equip you with practical knowledge to safeguard digital systems. We are privileged to have Mrs Kalyani Gokhale and Mrs Madhuri Ghate (Cyber Security Veterans and Rotarians) in association with Rotary Club of Poona-West and supported by Pune Police with extensive experience in cybersecurity, as our guest speakers.

You are hereby informed to avail the opportunity to enhance your cybersecurity knowledge! Let us make our digital world safer together.

Workshop details:

Date: Saturday, 4th February 2023

Time: 10:00 am to 12:30 pm

Venue: E Building-Seminar Hall, GSMCOE, Balewadi, Pune

Subject: Invitation to Conduct a Seminar on Cyber Security for students of GSMCOE, Balewadi

Dear Sir,

You may be aware that GS Moze College of Engineering (GSMCOE), Dept. of MBA, Balewadi, Pune established in 1999 having branches of Engineering (550 student intake), MBA (120 student intake), MCA (60 student intake) and Pharmacy (60 student intake) affiliated to Savitribai Phule Pune University. The GSMCOE is an education trust, a pioneer in imparting quality professional's education in field of engineering, management and related.

We are writing to extend a cordial invitation to the esteemed members of the Rotary Club of Poona West, to conduct a seminar on Cyber Security & Ethical Hacking on 04th February 2023 for students of GSMCOE.

It is understood that the seminar as would be organized in association with Pune Police will aim to raise awareness among our faculty, staff, and students about the critical aspects of Cyber Security and Ethical Hacking. We believe that your expertise and knowledge in this domain will greatly benefit our attendees and contribute to the cause of promoting a safe internet day.

Thank you.

**Report on "Cyber Suraksha" Campaign (Supported by Pune Police)**

Date: Saturday, 4<sup>th</sup> February 2023

Time: 10.00 am to 12.30 pm, Venue: Seminar Hall, GSMCOE

Guest Speaker: Veterans and Faculties from Rotary Club of Poona, West

G S Moze College of Engineering, Balewadi organised "Cyber Suraksha" workshop in association with Pune Police for the awareness of Cyber Security & Ethical Hacking on 04 February 2023. GSMCOE, Balewadi faculty members, staffs, and external speakers from Rotary Club Poona and students of GSMCOE, including MBA/MCA and Engineering disciplines were present for the workshop.

HOD Prof. Deepak Kulkarni, welcomed the guests and the participants and in his opening remark he explained the importance of the Cyber Security and Ethical Hacking in day-to-day life. The campaign also supported the cause for a safe internet day. Prof. Deepak Kulkarni, felicitated faculties from RYLA and introduced the eminent speaker for the event. Special thanks to Shri Ratna Raja Kumar, Principal and Prof. Dhananjay for their active support for the institute level program as a social service in literacy.

The external speakers and cyber security trainers explained in detail how your PC or Mobile will get hacked on clicking the unknown link send by hacker. Guest Speaker Prof. Kalyani started her session with interaction with the students. She explained the importance of Cyber security and Ethical Hacking in the current digital world, and then he explained various terms like Virus, Trojan, Keylogger, Spyware, Ransomware and Malware.

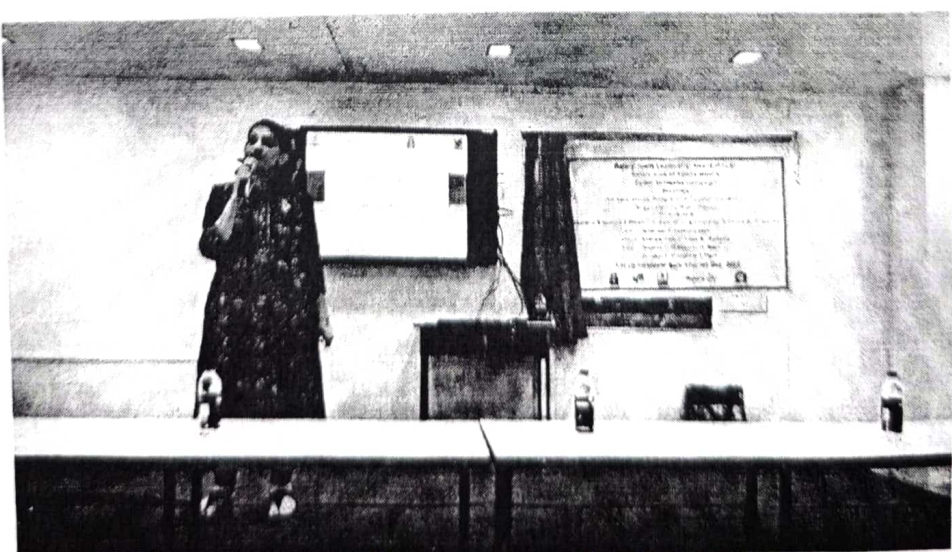

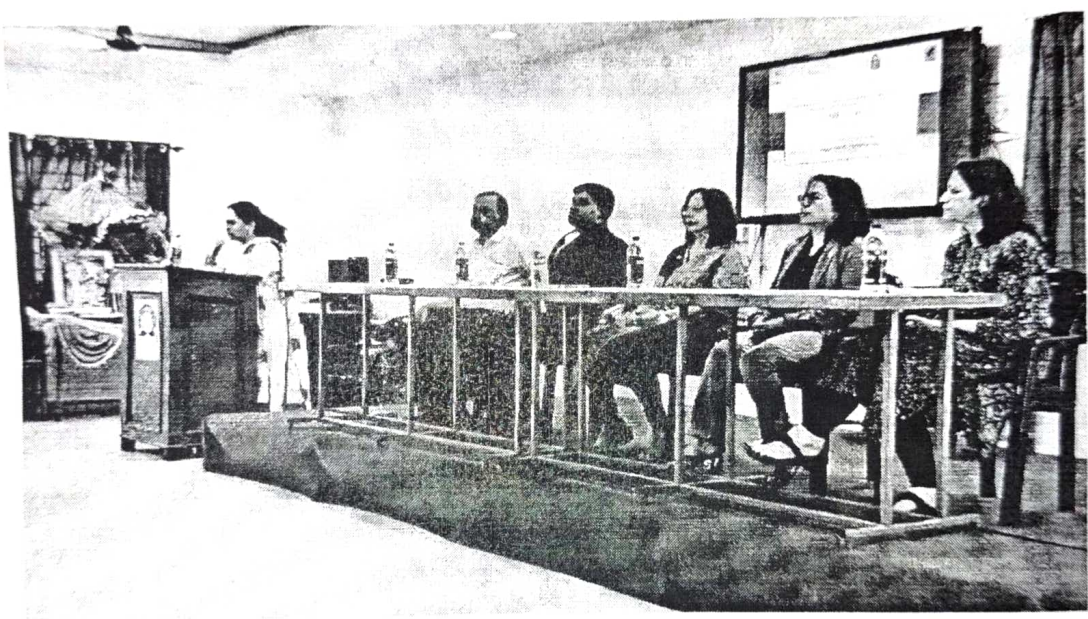

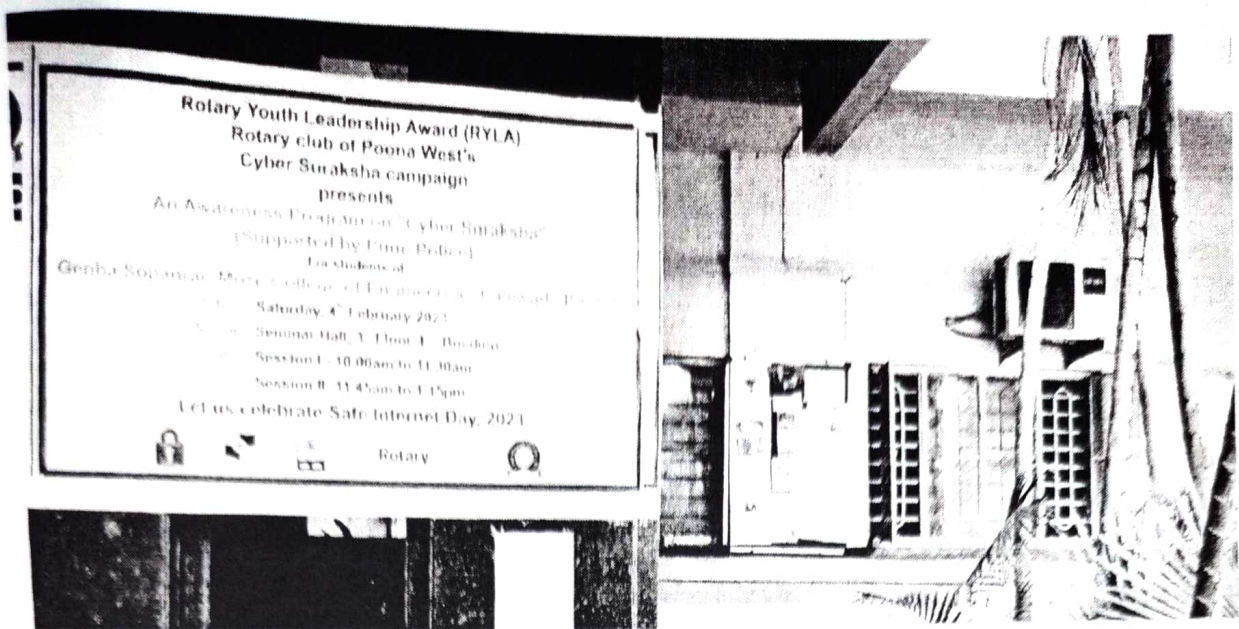

Other eminent speakers from RYLA explained Cyber Laws and their amendments in India, which are coming late after the cyber-crime happened. They elaborated there is huge difference in cyber laws, rules and regulations in various countries. They suggested different websites for learning ethical hacking. The session was concluded with vote of thanks by the Prof. Sambhaji Dorge from MBA Department.

Date: 06.02.2023

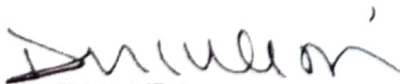

Subject: Letter of thanks for the Cyber Suraksha seminar

Respected Sir/Madam,

On behalf of G S Moze College of Engineering, Balewadi, I extend our warmest gratitude to the Rotary Club of Poona, West, for the invaluable contribution to the "Cyber Suraksha" workshop held on 4th February 2023. Your expertise and dedication played a pivotal role in enlightening our faculty, staff, and students on the importance of Cyber Security and Ethical Hacking.

We are particularly grateful to Prof. Kalyani Gokhale for her engaging session, which not only educated but also inspired our students to be more vigilant and proactive in the digital space. The interactive approach, including role-play and real-world scenarios, significantly enhanced the learning experience. The success of this workshop has been a testament to the collaborative efforts of our esteemed guests and the support of our faculty members, especially Prof. Deepak Kulkarni and Principal Sir Shri Ratna Raja Kumar. We are proud to have partnered with an organization that shares our commitment to social service in literacy and community welfare.

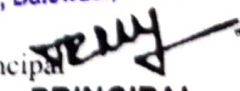

We hope that this event marks the beginning of a long and fruitful association between our institutions, working together towards empowering our students and the community at large.

**Report On Immune to Gas Leak**

Date: 06/05/2023

Venue: Ambition Pride, Moshi, Pune

Organized by: Information Technology Department, G. S. Moze College of Engineering, Balewadi, Pune

In Association with: Gas Safe India Private Limited

The primary objective of the activity was to raise awareness among the residents of Ambition Pride Society about the safe handling and usage of gas appliances, focusing on the importance of gas safety in daily life.

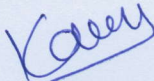

**Activities and Highlights:**

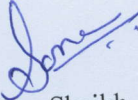

**Interactive Workshops:** Interactive workshops were conducted for residents, highlighting the importance of regular gas appliance maintenance, recognizing gas leaks, and safe usage of gas cylinders and stoves. Practical demonstrations were also conducted to demonstrate safe practices.

**Safety Check-up Camp:** A safety check-up camp was set up where residents could bring their gas appliances for a free safety inspection. Qualified technicians provided advice on maintenance and identified any potential safety hazards.

**Outcomes of Activity:**

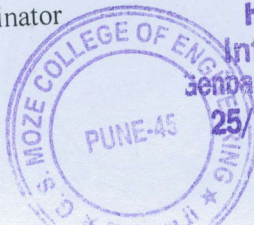

The gas safety awareness drive organized in Ambition Pride Society, Moshi, was a resounding success. The collaborative efforts of the Information Technology Department and Gas Safe India Private Limited helped raise awareness about gas safety and equip residents with the knowledge and tools to ensure their safety. The event received positive feedback from residents, and there is a strong interest in organizing similar activities in the future to further promote gas safety in the community.

**REPORT ON “MEDICINE DONATION ACTIVITY”**

To bring the humanity & develop helping hands for the underprivileged & HIV infected children in the society we, the department of Information Technology, G.S. Moze College of Engineering, Balewadi, Pune planned to donate a small amount to the “Mahesh Foundation”- a home for HIV infected & underprivileged children for their medicine on 11/03/2023 as a part of Social Activity.

The main motive of the event was to provide medicinal support to the children who are HIV infected & Underprivileged children in the society. Mahesh Foundation is an organization that has been tirelessly working for the past 12 years to uplift HIV-positive and underprivileged children. At Mahesh Foundation, the primary goal has always been to enable these children to lead independent and dignified lives. They firmly believe every child deserves a chance at a brighter future, regardless of their circumstances. Mahesh Foundation is registered under the Karnataka Societies Registration Act and is eligible for legal status. In addition, Mahesh Foundation is eligible for the tax benefits under Section 80G of the Income Tax Act. It is also registered under the FCRA (Foreign Contribution Regulation Act) to receive donations from foreign sources implying the great financial stability of the organization. The founder, Mr. Mahesh Jadhav was honored with the National Award for Child Welfare by the Government of India. The organization has received ISO 9001:2015 from the Indian Standards Organization. The organization is recognized as the FIT institution by the Government of Karnataka in 2014.

A special thanks to Mr. Mahesh Jadhav for his unconditional support for every move of the organization. We are grateful to the Management and Principal, Dr. Ratnaraja Kumar Jambi for giving us an opportunity to extend our hands to help the needy. We are extremely thankful to all the faculties & students of the IT department for extending their hands in helping the HIV infected children without whom this event wouldn't have been a grand success.

## Notice

All the students of FE are here to inform you that the department of first year of engineering believe that by creating awareness towards animal welfare, we can make a positive impact on there wonderful lives,we are planning to visit a local animal shelters part of a social awareness initiative. The visit is scheduled on 17<sup>th</sup> December 2022 (Saturday) to RESQ Charitable Trust. It will provide students with the opportunity to learn more about the challenges faced by shelters, the care provided to animals, and the importance of community involvement in supporting these organizations.

To Participate in the activity, you can donate:

Sr No	Item Name	Sr No	Item Name
1	Newspapers	10	Kiddy Pools
2	Bedsheets	11	Buckets
3	Towels	12	Mugs
4	Curtains	13	2 Litre Soft drink Bottles

## Report on Social Awareness Drive

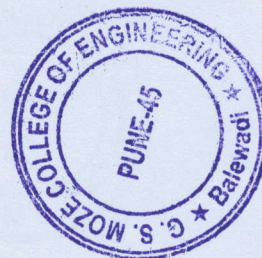

The Social Awareness Drive conducted by the Department of First Year Engineering at the Wild Animal RESQ Centre Pashan aimed to raise awareness about wildlife conservation, promote responsible behavior towards wild animals, and garner support for the RESQ Centre's efforts in rescuing and rehabilitating wild animals. The event took place on 17-12-2022 from 11.00am to 2:00 pm and 15 participants visited the center.

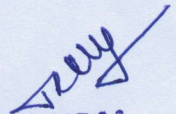

### Objectives:

1. Raise awareness about the importance of wildlife conservation.
2. Educate the public on the challenges faced by wild animals and the role of RESQ Centre in their rescue and rehabilitation
3. Promote responsible behaviour towards wildlife and discourage illegal activities such as poaching and habitat destruction
4. Encourage community involvement and support for the Wild Animal RESQ Centre

### Activities :

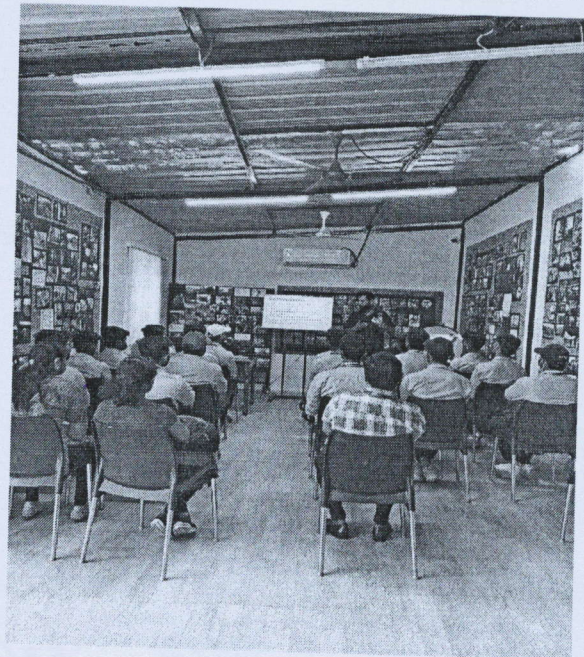

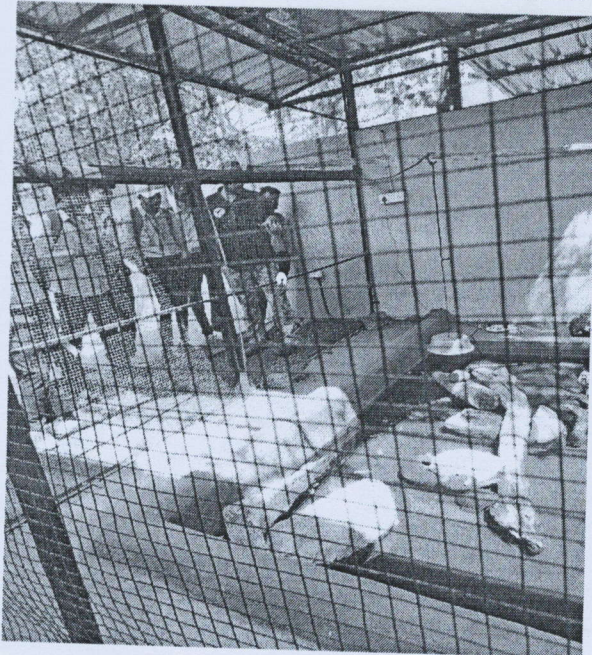

- Educational Workshops
- Interactive sessions
- Awareness Walk
- Documentary Screening
- Fundraising Activities

DEPARTMENT OF E&TC ENGINEERING

Plastic free campus Report

Date: 24/01/2023

The students from the Electronics and Telecommunication (E&TC) Department at GSMCOE College decided to make our campus plastic-free. We took action by collecting all the plastic littered around the campus, separating it, and cleaning up our surroundings. They were divided in groups & carried out the activity.

**Activities:**

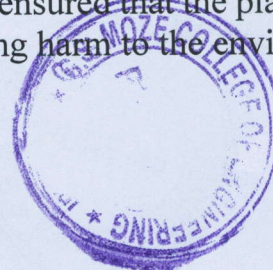

- Plastic Collection Drive: We started by collecting all the plastic waste scattered across the campus. We went around with bags and gloves, picking up plastic bottles, wrappers, bags, and other items.
- Segregation Process: After collecting the plastic waste, we sorted it into different categories such as bottles, wrappers, and bags. This segregation helped us manage the waste more effectively and prepare it for recycling.
- Cleaning Up: With the plastic waste collected and segregated, we proceeded to clean up the campus thoroughly. We swept the grounds, picked up any remaining litter, and ensured that our campus was spotless.
- Awareness Campaign: Alongside our cleanup efforts, we also spread awareness about the importance of reducing plastic usage and keeping our environment clean. We talked to our fellow students and faculty members about the harmful effects of plastic pollution and encouraged them to join our initiative.

**Results:**

- Plastic-Free Campus: Through our collective efforts, we successfully removed all the plastic waste from our campus premises. The grounds were visibly cleaner, and the environment felt much healthier without the presence of plastic litter.
- Segregation for Recycling: By segregating the plastic waste, we made it easier to recycle and dispose of responsibly. This step ensured that the plastic would be properly managed and prevented from causing harm to the environment.

Founder President: Shri Rambhau Moze

- Increased Awareness: Our cleanup drive and awareness campaign helped raise awareness among the college community about the importance of plastic-free living and environmental conservation. We inspired others to take action and adopt more sustainable practices.

**Outcomes:** The E&TC Department students of GSMCOE College successfully transformed our campus into a plastic-free environment through our collective efforts. By collecting, segregating, and cleaning up the plastic waste, we demonstrated our commitment to preserving the environment and promoting sustainability. We will continue to work towards maintaining a plastic-free campus and inspiring others to join us in our mission.

### Ganesh Visarjan Nirmalya Collection – Activity

We are excited to announce CSR (Corporate Social Responsibility) activity organized by MBA Dept., G. S. Moze College of Engineering on Ganesh Visarjan Nirmalya Collection - CSR Activity, scheduled to take place on 28th Sept. 2022.

The activity is to contribute to the conservation of our environment by collecting Nirmalya (religious offerings) post the Ganesh Visarjan procession. The purpose is environmental sustainability and community involvement, and this event presents a wonderful opportunity for all of us to make a positive impact. The activity is planned at Pavana River, Morya Gosawi Mandir, Chinchwadgaon.

We look forward to your enthusiastic participation in this meaningful initiative.

**Report on Nirmalya Collection at Ganesh Visarjan**

**Date:** 28/09/2022

**Venue:** Nirmalya Collection Centre, Ward-Chinchwad-Riverside, Morya Gosavi Temple

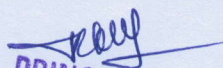

**Activity:** Nirmalya Collection, Handing over Shadu Clay idols to Artisans after the immersion, & Scientific Processing of Nirmalya

G. S. Moze College of Engineering, MBA Dept., Balewadi, Pune, organized an activity - Nirmalya Collection, Handing over Shadu Clay idols to Artisans after the immersion, and Scientific Processing of Nirmalya on 28/09/2023. The event saw active participation from students of MBA programs. Prof. Santosh Wagh and Prof. Sambahji Dorge efficiently coordinated the activity.

Prof. Deepak Kulkarni, HOD, MBA elucidated the objectives of the activity to the faculty members and students. During the Ganesh Festival, the immersion of flowers, leaves, and Ganesh idols in rivers causes water pollution. The initiative aimed to promote eco-friendly practices by offering alternative methods for processing Nirmalya and Ganesh idols instead of disposing them in rivers. As part of the activity, students raised awareness among their peers, families, and residents about eco-friendly Ganesh Festival practices. They actively collected Nirmalya generated during Ganesh idol immersion and transferred it to the Pimpri Chinchwad Nirmalya disposal system for further processing. Moreover, students collected the Ganesh Idols post-immersion and handed them over to artisans, fostering sustainable practices and supporting local craftsmanship. The students expressed satisfaction and a sense of fulfillment in contributing positively to society.

Some glimpses of the activity to promote eco-friendly Ganapati below.

## Report on Swachh Bharat Abhiyan

**Date:** 2<sup>nd</sup> Oct 2022

**Venue:** Morya Gosavi Temple, Chinchwadgaon, Pune

**Activity:** Swachh Bharat Abhiyan at temple premises and collection of waste, Garbage & Nirmalya from the premises of temple.

**Objectives:** Promote cleanliness and hygiene within the temple premises. This activity and initiative taken to foster a sense of community service and social responsibility among college students. Finally to raise awareness about the importance of cleanliness in places of worship

### Activity:

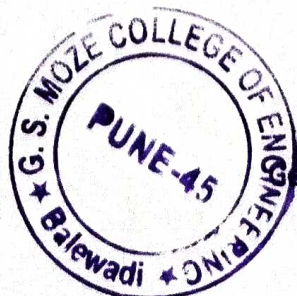

G. S. Moze College of Engineering, MBA Dept., Balewadi, Pune, organized a CSR activity - Swachh Bharat Abhiyan at Morya Gosavi Temple, Chinchwadgaon, Pune. A pre-drive meeting organized with the temple authorities to discuss the scope of the drive and ensure their support.

**Cleanliness Drive:** students, and faculty members of MBA, actively participated in cleaning the temple complex. Activities included:

- Sweeping and mopping floors, corridors, and common areas.
- Cleaning the exteriors of the temple and surrounding gardens.
- Responsible waste & Nirmalya collection and disposal, ensuring segregation of recyclables and biodegradables.

**Outcomes of the activity-** A visibly cleaner and more hygienic environment within the temple, creating a more pleasant experience for devotees. Increased awareness among devotees and the college community about the significance of cleanliness in religious spaces. The GSMCOE MBA department took this drive to promote of the Swachh Bharat Abhiyan message beyond the college campus, fostering a sense of community responsibility. The students expressed satisfaction and a sense of fulfillment in contributing positively to society.
