NOTICE

Date -10/01/2022

All students of TE and BE, Civil, Mechanical and E&TC Engineering are hereby informed that there will be a Session on "MPSC Exam Preparation and Syllabus" by I2E Imperial on 15th January 2022. Guest Lecture details are as Follows:

Speaker: Mr. Paresh Gugale

Date: 15 January 2021

Time: 02pm to 03:30 pm

Lecture Venue: Seminar Hall(E-301)

Topic Covered: MPSC Exam Preparation and Syllabus

It's mandatory to attend the session as it will help you to prepare yourself for Company Ready.

Report on Conduction of Guest Lecture

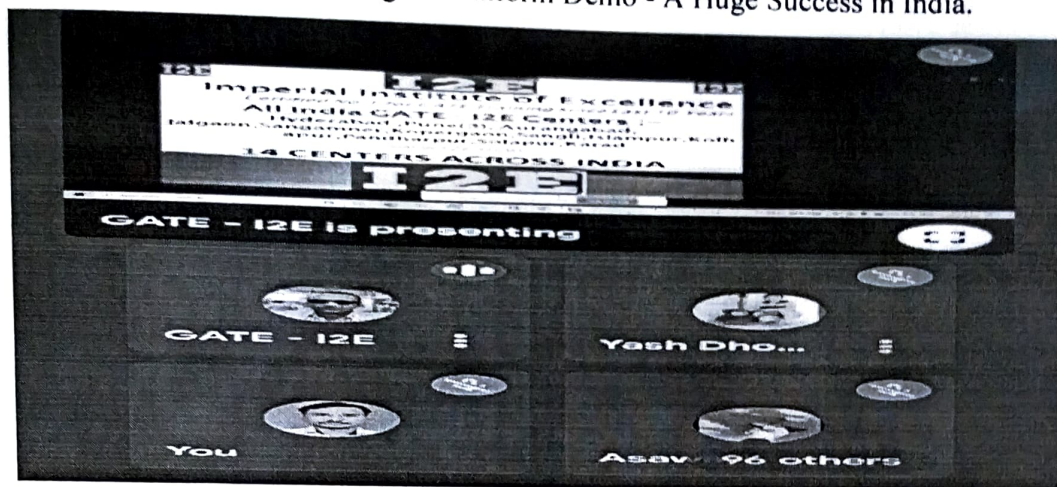

The Department of Civil Engineering had successfully conducted a guest lecture on "MPSC Exam Preparation and Syllabus" on 15/01/2022 Saturday from 02pm to 03:30 pm, in offline mode at seminar hall (E-3.1) at G.S Moze College of Engineering, Balewadi. The guest lecture was arranged by Prof. Vinayak Kulkarni for TE and BE Civil, Mechanical and E&TC engineering students. The content covered was beneficial for the students by getting the knowledge of different techniques used for best practices in MPSC exam preparation and how the syllabus are structured for different-different departments. In welcome speech, Prof. Vinayak Kulkarni (Civil Dept) expressed his word of gratitude to the guest of Mr. Paresh Gugale and addressed student regarding the content of the lecture. Mr. Paresh Gugale is MTech, MBA from NITIE, Mumbai. And He is founder and director at Imperial Institute of Excellence. Versatile experience of motivational speaker with private and government organizations.

He has covered following contents with his live and practical experience.

- 1) MPSC Direct Benefits
- 2) MOSC Indirect Benefits
- 3) Job opportunities after clearing MPSC
- 4) Examination Pattern
- 5) Scholarship, If Any.
- 6) Key Rules of Examination

- 7) Syllabus
- 8) Strategies to get Rank in MPSC Exam
- 9) How MPSC Exam can become a Success in Covid -19 Situation
- 10) About MPSC- I2E - A Digital Platform Demo - A Huge Success in India.

Overall program of guests lecture went on smoothly and get good responses from students, after the session students were eager to ask for the joining their hands to Mr.Paresh Gugale. Some of them had suggested many ideas and those all ideas are openly welcomed and Mr. Mr.Paresh Gugale invited them for joining the group.

Report on “Employability opportunity in Civil Engineering”

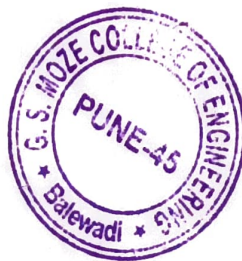

The Department of Civil Engineering had successfully conducted a guest lecture on “Employability in Civil Engineering” on 23/06/2022 Thursday from 11 am to 12 pm, Seminar hall E building at G.S Moze College of Engineering, Balewadi. The guest lecture was arranged by Civil Engineering department for TE and BE civil engineering students. The content covered was beneficial for the students by getting the knowledge of different aspects of Civil Engineering career opportunities. In welcome speech, Prof. Seema Shiyekar (HOD civil Dept) expressed his word of gratitude to the guest of Mr. Sanket Ghorband and addressed student regarding the content of the lecture.

Mr. Sanket Ghorband sir is a fulltime instructor for General Studies at ACE Engineering Academy for more than five years now and he also authored many books of General Studies and Technical Subjects for MPSC (Maharashtra Public Service Commission) MES, WRD, PWD, BMC, CIDCO, DMA, MIDC and SSC (Staff Selection Commission) Junior Engineer under his own publication entity named “Sanket G- Publication”. He teaches Indian History, Environment, Economics, Geography and Indian Polity for MPSC and other competitive examinations. He graduated in Civil Engineering from SGGSI&T, Nanded and cracked BMC and CIDCO AE examinations in 2015 and 2016 respectively.

Overall program of guests lecture went on smoothly and got good responses from students, after the session students were eager to ask for the joining their hands to Mr.Sanket Ghorband. Some of them had suggested many ideas and those all ideas are openly welcomed and Mr. Sanket Ghorband invited them for joining the group.

Career Opportunity Session on –“Data Science and Big Data” - Report

Speaker- Mr. Nilesh Shintre

Targeted Audience: TE & BE Computer

Date: 13th Sep 2021

Time: 10:00am to 12:00 pm

Venue: Seminar Hall E-Building

Objectives:

1. To encourage the technical development of students by introducing latest technologies like Big Data.
2. To introduce various job opportunities in Big Data.

Contents:

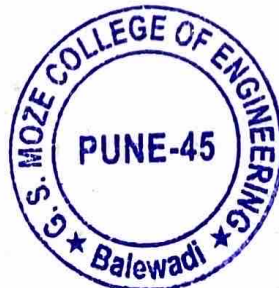

1. Introduction of Big Data.
2. Carrier opportunities in Big Data
3. Big Data Techniques

Outcome:

1. Students understood Big Data Technology and its applications in problem-solving.
2. Student understood various Job Opportunities in the field of Big Data

Dear Sir,

It was so nice that you have positively responded to our invitation to be a resource person for the just concluded Career Opportunity Session on “Data Science and Big Data” held on 13th Sept 2021. Without your active participation in delivering the content which we have planned, the session would not have been such a success. Definitely, all the participants have benefited from your lecture, and we are very much thankful to you for making it convenient to be here at our place on 13th Sept 2021 to deliver a session on “Data Science and Big Data”

We earnestly look forward to meeting you again in some context or other in the future, too.

Founder President: Shri Rambhau Moze

Date: 19/4/2022

NOTICE

All TE and BE Students of IT department are hereby informed that, our department has organized a Session on "**Career opportunities in Machine Learning**" conducted by Techdata Solutions on date 22th April 2022. Guest Lecture details are as Follows:

Speaker: Mr. Vaibhav More.

Date: 22th April 2022

Time: 10 am to 1.00 pm.

Topic Covered: Introduction to Machine Learning, basic Techniques of machine learning, Data preprocessing and machine learning life cycle.

Venue: Seminar Hall.

Subject: Invitation for Guest Lecture on Career opportunities in Machine Learning.

Dear Sir,

The Genba Sopanrao Moze trust is an educational trust, a pioneer in imparting quality professional's education in field of Engineering. It has established two campuses in Pune at Balewadi & Wagholi.

In connection with this to upgrade the knowledge of students, we are requesting you to conduct lecture on “Career opportunities in Machine Learning”, on date 22th April 2022 and guide our students. Hope you will able to put some time and enlighten our students by your endless knowledge.

Thanking you.

Report on “Career opportunitis in Machine Learning” Session

The Department of Information Technology Engineering had successfully conducted a guest lecture on “**Career opportunities in Machine Learning** ”on date 22th April 2022. The guest lecture was conducted by Mr.Vaibhav More, Techdata solutions.

Speaker: Mr. Vaibhav More.

Date: 22th April 2022

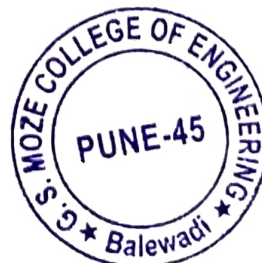

Time: 10 am to 1.00 pm

Topic Covered: Introduction to Machine Learning, basic Techniques of machine learning, Data preprocessing and machine learning life cycle.

Co-ordinator-Prof.Aparna Patil

Objectives of session:

- How to make a career in machine learning by understanding basic Fundamental skills such as computer architecture, algorithms, data Structures, complexity, etc.

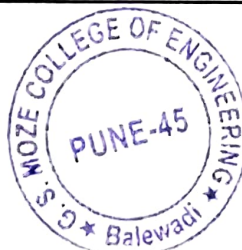

- To prepare resume for role of machine learning engineer in IT industries.
- To understand the mathematical and statistical principles that underlies AI and machine learning.
- To learn basics of machine learning techniques useful to develop different ML algorithms

Outcome of session:

- Students understood supervised learning, unsupervised learning, semi-supervised learning and reinforcement learning techniques.
- Students understood how to evaluate models generated from data.
- Design and apply various reinforcement algorithms to solve real time complex problems.

The Contents of Guest lecture were as follows:

- Fundamentals of Machine Learning.
- Basic Techniques of Machine learning
- Machine Learning Life cycle.

NOTICE

Date: 15/10/2021

All students of TE and BE, Computer Engineering are hereby informed that there will be a Session on “Resume Writing , interview Techniques and Communication Skills” by Skillsgenix on 19th Oct. 2021. Guest Lecture details are as Follows:

Speaker: Neha Bhosale

Platform: Google Meet

Link to Join: <https://meet.google.com/prq-ckeq-ygm?authuser=0>

Date:19 Oct 2021

Time:10 am to 11 am

Topic Covered: Resume Writing, interview Techniques and Communication Skills.

It's mandatory to attend the session as it will help you to prepare yourself for Company Ready.

Subject: - Invitation for Guest Lecture on “Resume Writing , Interview Techniques and Communication Skills”.

Dear Madam,

We would like to invite you as a expert for **“Resume Writing , Interview Techniques and Communication Skills”** on 19th Oct 2021, Tuesday. We request you to positively respond to our invitation to be a resource person for the same. With your active participation we will benefit and gear up towards the details of Softskill and Communication Skill. These objectives will definitely be fulfilled with your active support and valuable inputs.

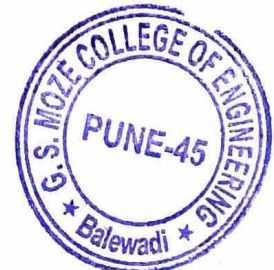

With Regards,

Dear Madam,

It was so nice that you have positively responded to our invitation to be a resource person for the session on “Resume Writing , Interview Techniques and Communication Skills” held on 19th Oct 2021. Without your active participation in delivering that content which we have planned, the lecture would not have been such a success. Definitely all the participants have benefited from your talk, group activities and we are very much thankful to you for making it convenient to conduct session in online mode on Google Meet Platform on “19th Oct 2021”.

We earnestly look forward for meeting you again in some context or other in future too.

Session Report on

“Resume Writing , interview Techniques and Communication Skills”

The department of computer engineering had organized a session on “**Resume Writing , interview Techniques and Communication Skills**” on 19th October 2021. The guest lecture was conducted by Ms. Neha Bhosale, **Skillsgenix,Founder|L&D Facilitator, Pune.**

Date- 19th October 2021.
Time- 10.30 am to 12.00 noon
Coordinator- Prof.P.D.Chouksey.
Platform- Google Meet.

Objective of Session-

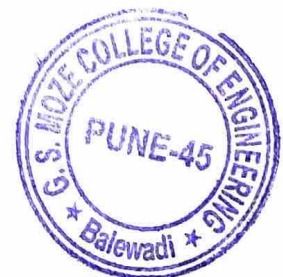

- Students will be able to write resume for industry ready.
- Students will be able to know the interview techniques.
- Students will be able to know the importance of communication skill.

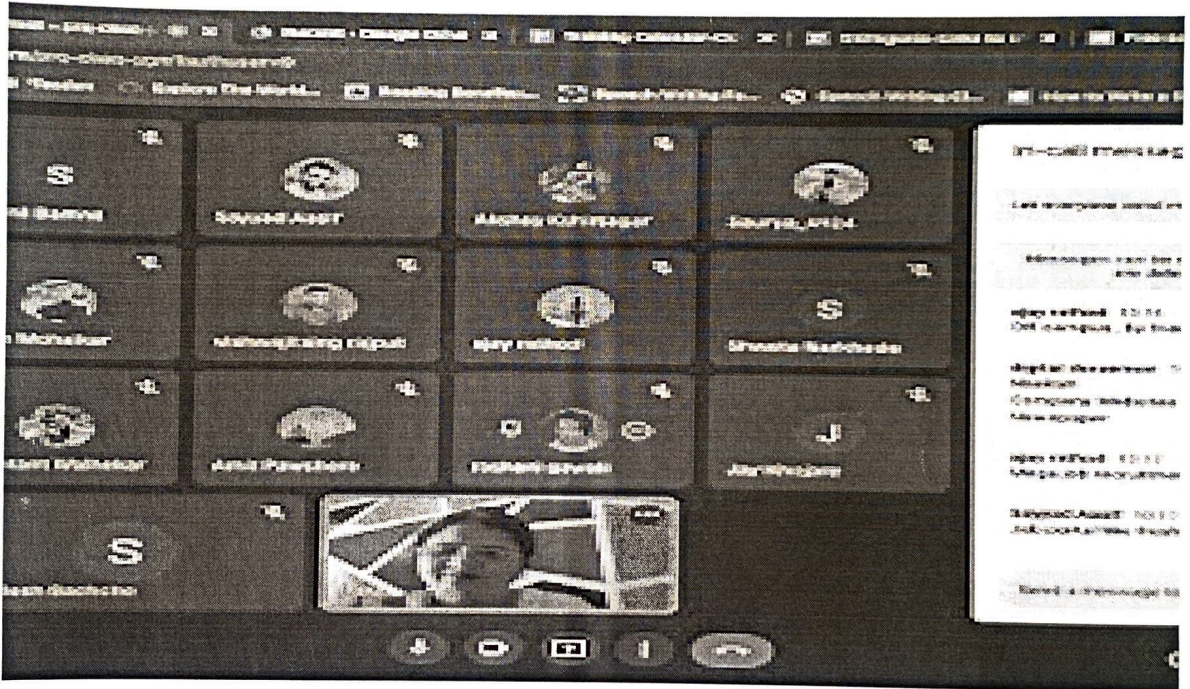

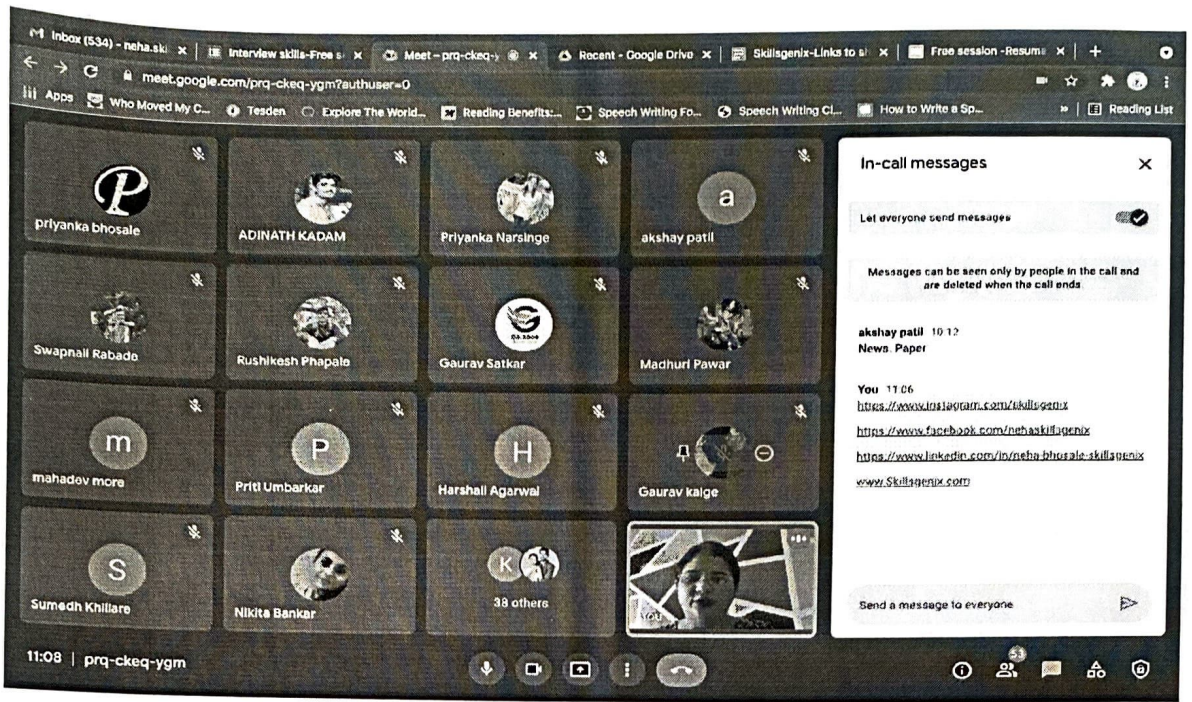

Outcome of Session

- Students are able to write resume in proper format.
- Students are able to know the interview techniques.
- Students are knowing the importance of communication skills.

The contents of Guest Lecture were as follows:

- Resume Writing
- Interview Techniques
- Communication Skills

Seminar Report on "SAE BAJA 2021"

The initiative of conducting the seminar through online mode i.e through zoom meet in the very premises of our college i.e. GSMCOE, COE, Pune was taken by Prof. V. U. Mane (Faculty Advisor).

A power point presentation was delivered by **Prof P. K. Satav**, Assistant Professor, Mechanical engineering, PGMCOE, Wagholi, Pune, on "Introduction to SAE BAJA 2021" on 13th October 2021. It was a highly informative and interesting presentation on SAE BAJA 2021 events guidelines. It greatly helped the students to clear their doubts and get all info about the event. It was an interactive session in which around 30 members took part.

Every year the Society of Automotive Engineers (SAE India) organizes national level students competition for the design, fabrication and testing of all terrain vehicle (ATV). The first competition was organized in 2007. This year the BAJA SAE India 2009 competition was jointly organized with National Automotive Testing and R&D Infrastructure Project (NATRiP) at Pithampur MP on 30-31 January and 1 February 2009. The event was co-sponsored by leading automotive manufacturing companies like Mahindra and Mahindra, Lombardini, FIAT, BOSCH.

The objective of the competition is to provide opportunities to engineering students to showcase their talents in design, manufacture and testing of all terrain vehicle, simulating the real world product development process. Such events are organized in US, South Africa, Mexico, Brazil and South Korea.

The BAJA SAEINDIA 2021 event was planned to be conducted in 2 legs. The first leg i.e. Preliminary round of BAJA SAEINDIA 2021 was conducted from **11th Dec to 13th Dec'20**, wherein teams were asked to submit the Design Report of their buggy along with Automotive/Rulebook quiz and evaluation. This evaluation was not an elimination round, but the score obtained by teams will be added to final scores of the team. The second leg consisted of Static Events done on personalized video conferencing software which was conducted from 21st

April to 25th April'21 Followed by this, the Dynamic events will be held virtually through IPG CarMaker. The virtual dynamic events included Acceleration performance, Brake performance, Gradeability performance, Maneuverability performance, Suspension and traction performance & All-Terrain Performance.

On the behalf of the Head, Department of Mechanical Engineering, Genba Sopanrao Moze CoE, **Prof. Santosh Sandanshiv** expressed appreciation towards **Prof. P. K. Satav** sir for the webinar conducted on "Introduction to SAE BAJA 2021". He said that "it was extremely informative webinar, the class size and their presence illustrated the importance of various real time aspects of building a competitive mechanical model to us and our students".

Seminar Conduction Date:

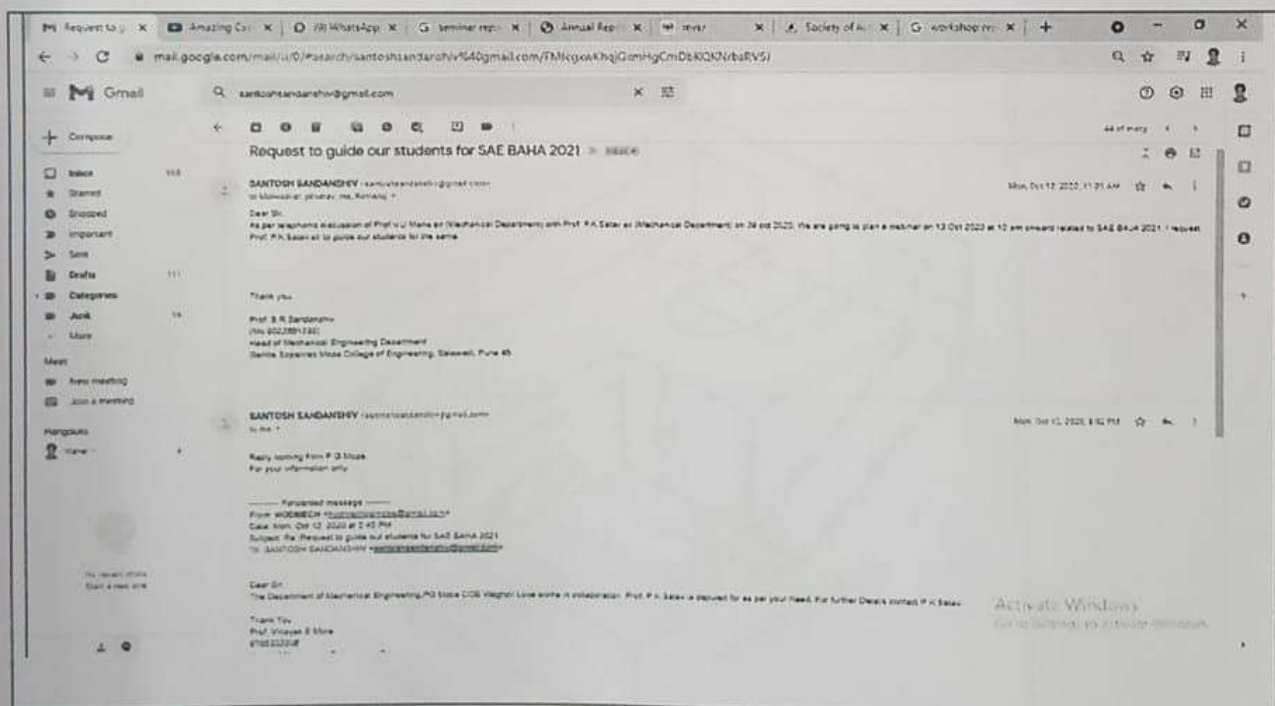

13th October 2021

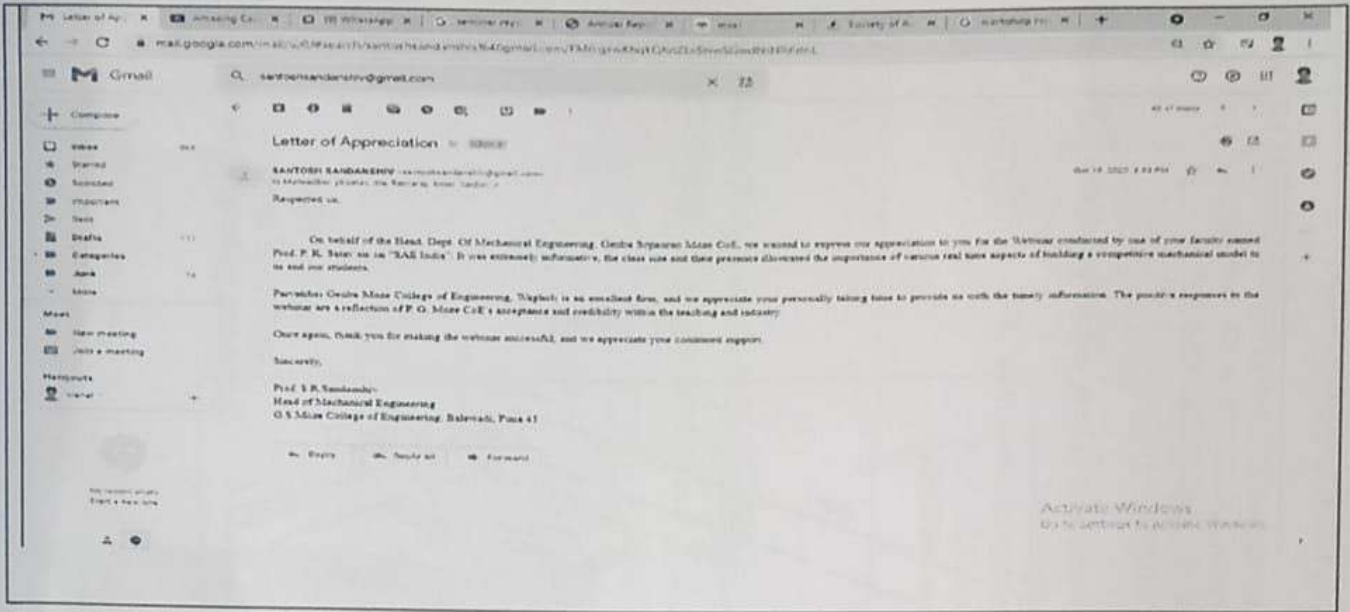

Mode of conduction:

ONLINE (Through ZOOM Meet)
