DEPARTMENT OF CIVIL ENGINEERING

Report on Conduction of Guest Lecture on MPSC-2023 Road Map to success

The Department of Civil Engineering successfully conducted a guest lecture on “MPSC-2023 Road Map to success” on 07/01/2023, at 10:00 am, Seminar hall E building at G.S Moze College of Engineering, Balewadi. The contents covered were beneficial for the students by getting the knowledge of different techniques used for preparation of Competitive examination. Lecture was mainly focused on preparation for MPSC examination. Following were general points discussed in the session.

- How to prepare for the exam without coaching
- Winning strategies to ace MPSC exam with self-study
- Do a SWOT analysis
- Follow the MPSC Pomodoro Method
- Prepare yourself with the exam pattern and syllabus in mind
- Study a variety of reference books and solve mock tests
- Monitor your MPSC preparation and keep yourself up-to-date

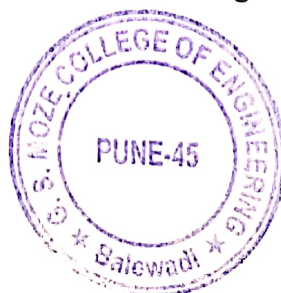

Speaker Mr.Sanket Ghorband addressing to the students and faculty

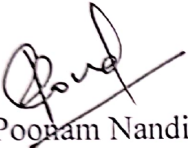

In welcome speech, Prof. Seema Shiyekar (HOD civil Dept) expressed her words of gratitude to the guest of Mr Sanket Ghorband and addressed student regarding the content of the lecture. Mr Sanket Ghorband is a fulltime instructor at ACE Engineering Academy for more than five years and he has also authored many books of General Studies and Technical Subjects for MPSC (Maharashtra Public Service Commission) MES, WRD, PWD, BMC, CIDCO, DMA, MIDC and SSC (Staff Selection Commission). He teaches Indian History, Environment, Economics, Geography and Indian Polity for MPSC and other competitive examinations. He graduated in Civil Engineering from SGGSI&T, Nanded and cracked BMC and CIDCO AE examinations in 2015 and 2016 respectively

Mr Sanket Ghorband also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements. Vote of thanks was given by Ms. Poonam Nandihalli and thanked the various organizers of the event. She also thanked the management of Genba Sopanrao Moze

college of Engineering for the support and guidance which has made session a grand success

Overall programme of guests lecture went on smoothly and got good response from students, after the session students were eager to ask for the joining their hands to Mr.Sanket Ghorband . Some of them had suggested many ideas and those all ideas are openly welcomed and Mr. Sanket Ghorband invited them for joining the group.

Report on Guest Lecture

The Department of Information Technology had arranged a Guest Lecture on “Preparation for MPSC/UPSC during Graduation” on 03/12/2022, Saturday from 11am to 1pm at Seminar Hall, E-building, G.S Moze College of Engineering, Balewadi. The lecture was organized by Prof. Sana Shaikh, HOD, IT for students of Information Technology department. The convener for the event was Dr. Ratnaraja Kumar, Jambhi, Principal, GSMCOE. The topic delivered was very much beneficial for the students as the speaker gave a clear idea of building the career through UPSC/MPSC & guided them by creating awareness about benefits of preparing for UPSC/MPSC during the Graduation.

Prof. Sana Shaikh (HOD, Department of IT) expressed her sincere gratitude to the speaker Mr. Dinesh Tathe and addressed the gathering regarding the Guest Lecture.

The session of Guest Lecture went on smoothly and got good responses from the students. After the session students were enthusiastic in asking their queries for clearing the conflicts. Some of them suggested many ideas and those ideas were openly accepted. The session was very interactive & informative. The formal vote of thanks was given by Prof. Swati Gaikwad.

Edu-Bridge Career Opportunity Awareness Programme

Event Report: Guest Lecture on Career Awareness & Placement Opportunities by EduBridge

Date - 3 August 2023 to 5th August 2023

Venue – Seminar Hall, G S Moze College of Engineering

Students – MBA Batch (2023-25 & 2022-24)

G S Moze College of Engineering organized 3 days seminar on awareness of career opportunities in management field with association of Edu-Bridge.

Event started with Prof. Deepak Kulkarni, Director G S Moze College of Engineering welcomed trainers from Edu-Bridge. Director sir explained objectives of the this event conducting at MBA Dept. G S Moze College of Engineering

Event was Attended by the MBA Students of Batch 2023-25 Batch & 2022-24 Batch. Event was Co-ordinated by the Prof. Titir Das Sharma.

Objective of the event:

The primary objective of the event was to provide students with valuable insights into career development, enhance awareness about placement opportunities, & introduce them to EduBridge, India's leading Workforce Development Platform.

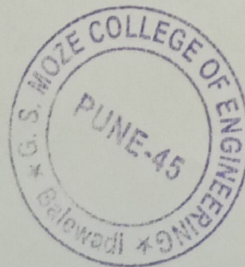

Agenda of the event:

Introduction to EduBridge:

EduBridge is an Integrated Workforce Development Organization established by IIM alumni and professors in October 2009. Aims to impact the entire Career Development life cycle of unemployed youth in India. Focus on helping youth understand their strengths, develop essential skills, and secure employment with leading corporates.

Achievements and Impact:

Over a decade of experience, having trained over 150,000 youth. Successfully placed around 100,000 learners in over 300 companies across the country. Offline presence in 18 states, with extensive local networks and ecosystems. Established tech architecture and strong relationships with recruiters, corporate entities, and the youth.

Diversified Business Model:

EduBridge's revenue model includes Learning Solutions, Career Solutions, and Talent Solutions. Headquartered in Mumbai, with offices across India and a dedicated team of over 500 employees.

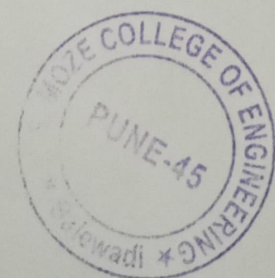

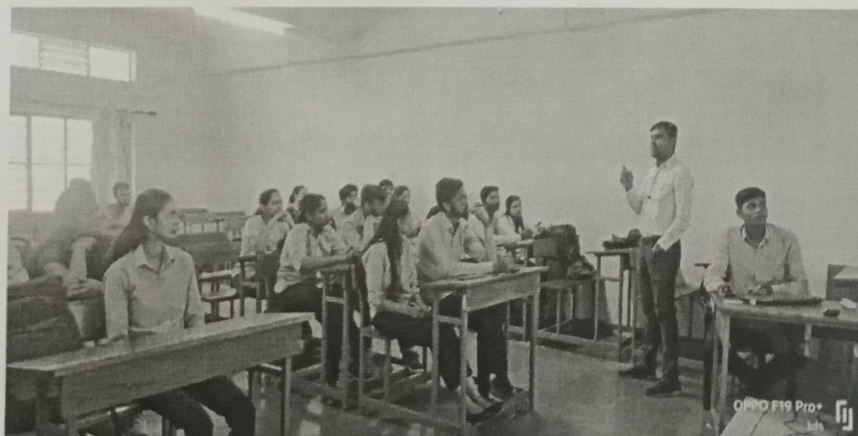

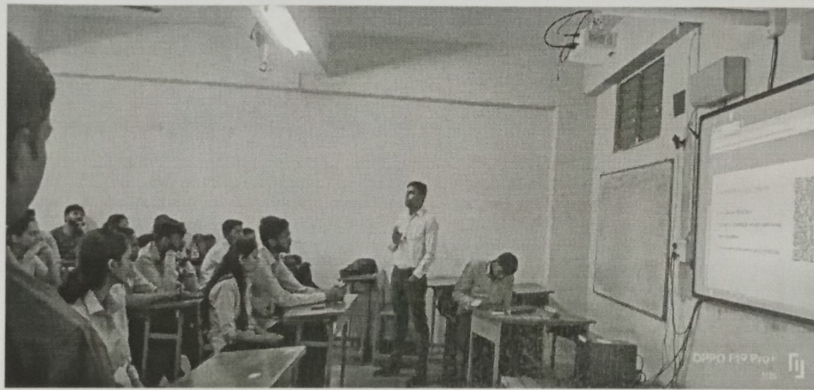

Guest Speaker:

Trainers from Edu-bridge shared insights into the current job market trends, industry demands, & the importance of skill development for career growth.

Career Development Life Cycle:

Overview of the placement process at EduBridge. Guidance on preparing an effective resume and facing interviews. Insights into the types of companies and industries EduBridge collaborates with.

At the end Vote of thanks was given by Prof. Sambhaji Dorge

To,

The Director/Principal

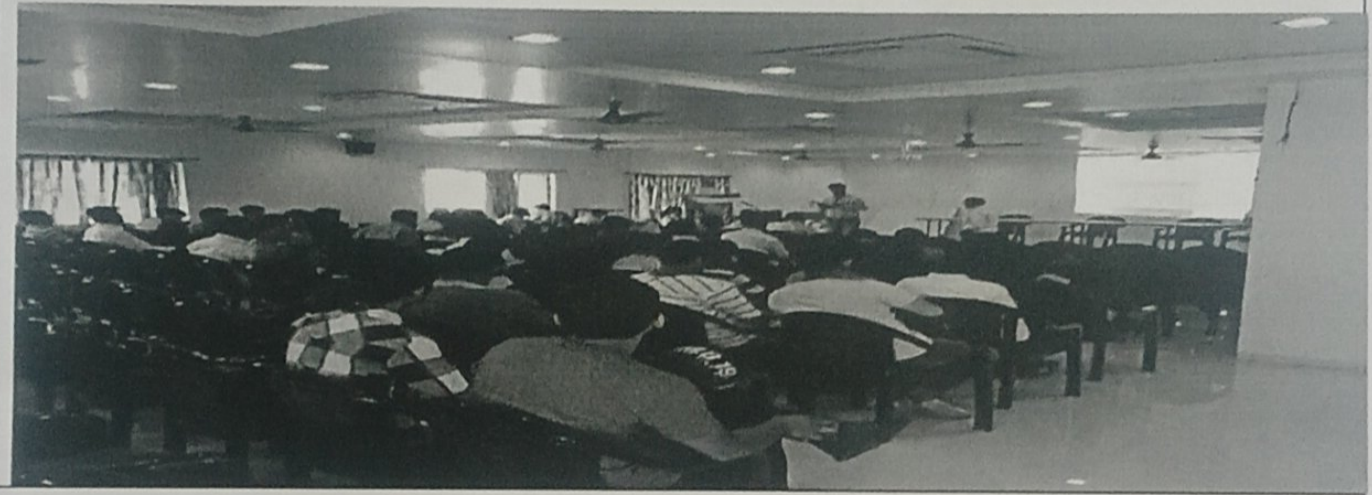

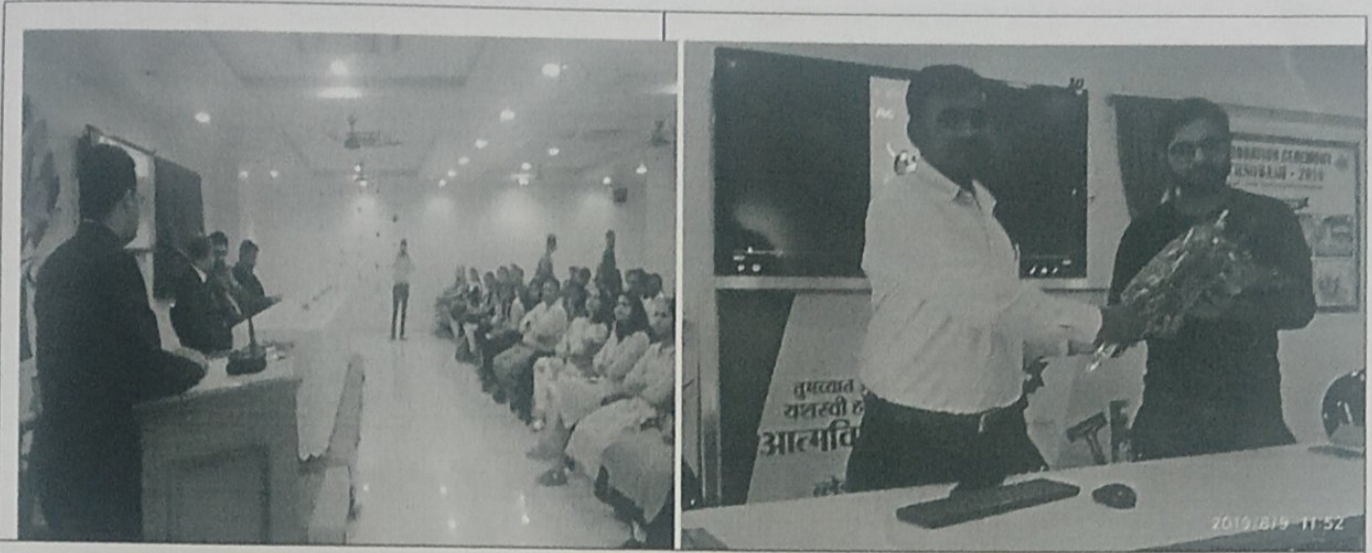

G.S.MOZE COLLEGE OF ENGINEERING BALEWADI PUNE-45

- Sub:- **Report On Soft Skill Seminar(Carrier Counseling)**

Venue: - Genba Sopanrao Moze College of Engineering Balewadi Pune-45

Event Start Date: 13/09/2022 Event End Date 13/09/2022

Genba Sopanrao Moze CoE Balewadi, Mechanical Department organized a career counseling session for students on 13th September , 2022 in the College Seminar Hall . Career decisions play a pivotal role in shaping the future growth and development of students. In today's environment of multiple options, knowing about choices available helps children in their decision-making process. The session commenced with the College Principal, Dr.Ratnaraja Kumar Jambi reiterating the importance of knowing one's potential and subject of interest before making a decision. He also laid stress on the right combination of subjects as per their aptitude which should be reflected in their academic performance. He emphasized on the importance of making informed decisions. The resource person for the session was Dr.Ganesh Soni, an eminent career counselor. He is a prolific educator who has been associated with counseling and guidance for the past 10 years .He is educational consultancy which draws upon vast experience and research, to offer comprehensive services to students and college regarding decision making for the future. The session aimed at making the audience aware of the multiple career options available. He also shared information regarding leading universities and various courses available. He urged the students not to make decisions based on family expectations and peer pressure. He guided the students to identify their interests and what they are good at. He also advised them to plan multiple activities during their vacations to hone their skills. The session was informative and enriching for students as well as Staff. Among this seminar 68 students are present.

The Department of Information Technology Engineering had successfully conducted a guest lecture on “Aptitude Training” on date 22nd to 27th August 2022. The guest lecture was conducted by Mr.Onkar Waghmare, Barclays GTT foundation.

Speaker: Mr.Onkar Waghmare

Date: 22nd to 27th August 2022

Time: 10am to 4.30 pm

Topic Covered: Basic skills and understanding of Verbal Aptitude, Logical Reasoning and Quantitative Aptitude.

Co-ordinator-Prof.Aparna Patil

Objective of session:

- To develop basic skills related to aptitude.
- To provide guidance to the students from IT Industry Trainer to focus on Employability skills development.

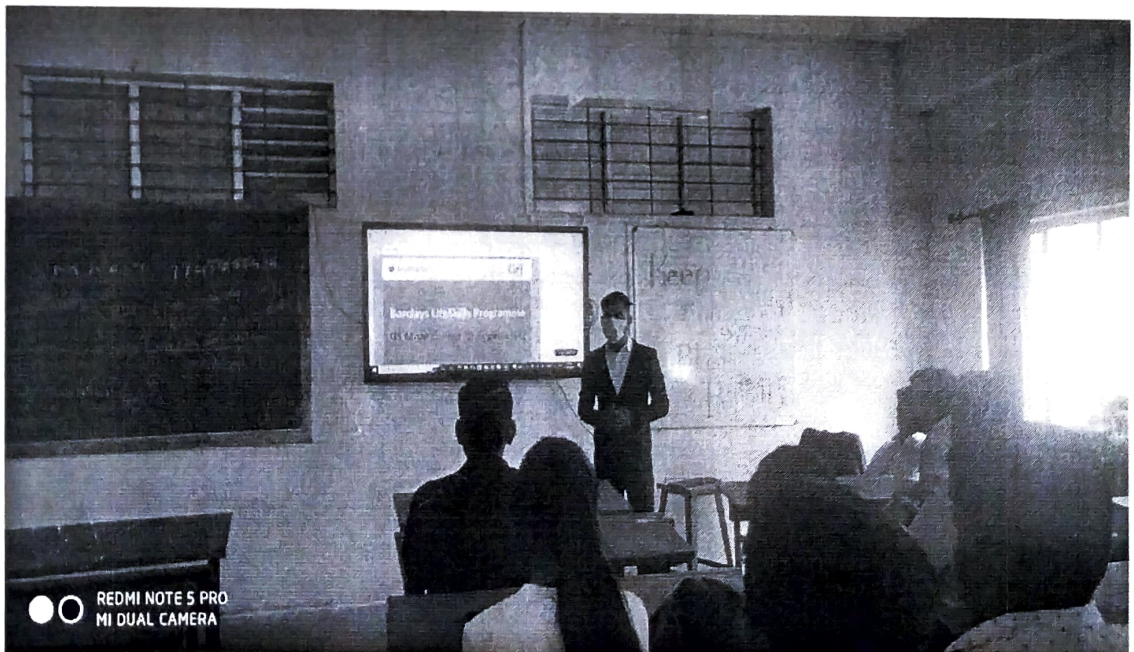

- To avail knowledge for students to crack the aptitude examinations for Placement Activity
- To speak fluently and develop communication skills.

Outcome of session:

- Common methodologies of solving questions related to Verbal Aptitude, Logical Reasoning and Quantitative Aptitude.
- Learn the various question types and their basic approaches.
- Create a bridge for the advance levels of aptitude and prepare a base for Employability Enhancement Program.

The Contents of Guest lecture were as follows:

- Verbal Aptitude
- Logical Reasoning
- Quantitative Aptitude

NOTICE

Date -18/09/2022

All students of SE, TE and BE, Electronics & Telecommunication are hereby informed that there will be a Career Counseling Session on “**How To become Data Scientist**” by **Mr.Sunil Zarikar** on 20th sept 2022.

Guest Lecture details are as Follows:

Speaker : Mr.Sunil Zarikar

Manager in Business Consulting
Ernst & Young LLP

Date: 20th sept 2022.

It's mandatory to attend the session as it will help you to prepare yourself for Company Ready.

Subject-"Career Guidance on How to become Data Scientist"

Date:- 22/09/2022

Speaker Name: Mr.Sunil Zarikar

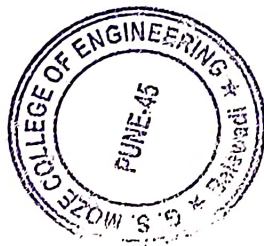

Class – SE,TE&BE(IT & E & TC)

Report on Conduction of Guest Lecture

The Department of Electronics & Telecommunication Engineering had successfully conducted a guest lecture on "Career Guidance Data Scientist" on 20/09/2022 Monday at 11am-12pm. on offline platform at G.S Moze College of Engineering, Balewadi. The guest lecture was arranged by Prof. Sujata Giawale for SE, TE and BE E&TC engineering students. The content covered was beneficial for the students by getting the knowledge of different techniques used for best practices in & data Scientist. In welcome speech, Juili Vyas student of TE expressed his word of gratitude to the guest of Mr.Sunil Zarikar and addressed student regarding the content of the lecture Mr.Sunil Zarikar is Manager in Business Consulting

Ernst & Young LLP. He has vast experience in Data analytics

He has covered following contents As Data Governance, Transformation, Migration, Analytics, Modelling, and Sustainability and Climate Change initiatives, Machine Learning, Agile Scrum, and Target Operating Models to deliver innovative and compliant solutions for complex data and risk challenges across various domains, such as Credit Risk, Market Risk, Finance, and Regulatory Reporting. He covered following points **Programming languages:** Data scientists can expect to

spend time using programming languages to sort through, analyze, and otherwise manage large chunks of data. Popular programming languages for data science include:

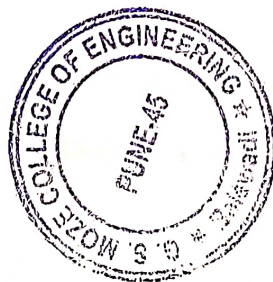

Python, R, SQL & SAS

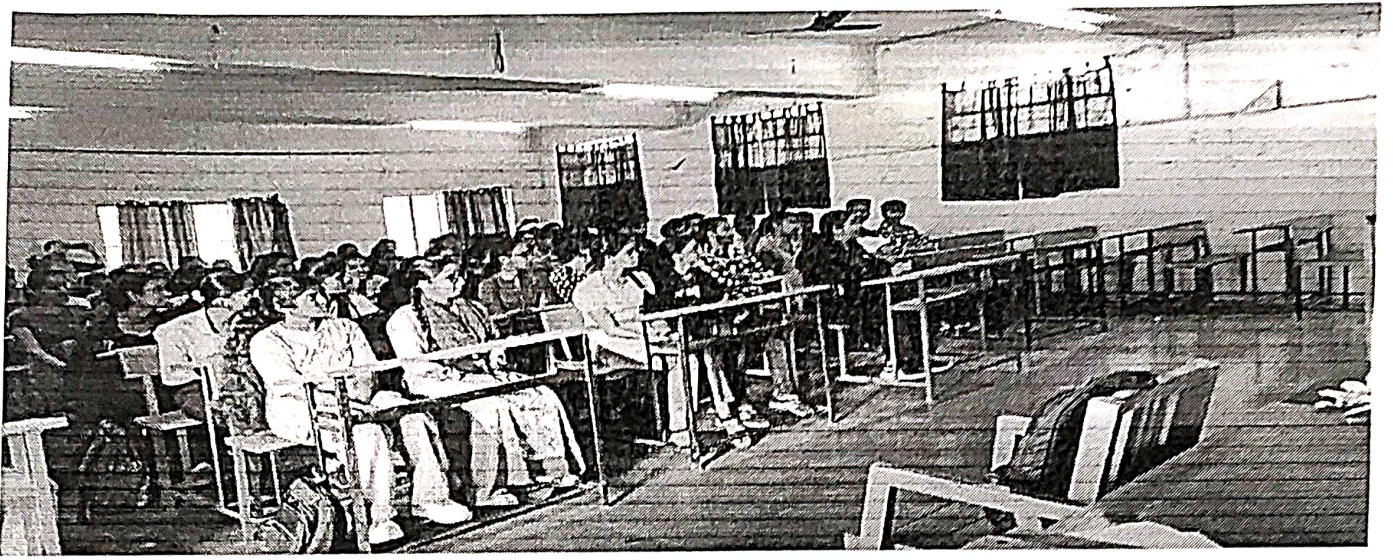

- **Data visualization:** Being able to create charts and graphs is a significant part of being a data scientist. Familiarity with the following tools should prepare you to do the work:
 - Tableau
 - PowerBI
 - Excel

He also explain importance of Machine learning: Incorporating machine learning and deep learning into your work as a data scientist means continuously improving the quality of the data you gather and potentially being able to predict the outcomes of future datasets. A course in machine learning can get you started with the basics.

- **Big data:** Some employers may want to see that you have some familiarity in grappling with big data. Some of the software frameworks used to process big data include Hadoop and Apache Spark.
- **Communication:** The most brilliant data scientists won't be able to affect any change if they aren't able to communicate their findings well. The ability to share ideas and results verbally and in written language is an often-sought skill for data scientists.

Overall program of guests lecture went on smoothly and get good responses from students, after the session students were eager to ask for the joining their hands to Mr. Sunil Zarikar Some of them had suggested many ideas and those all ideas are openly welcomed and Mr. Sunil Zarikar. invited them for joining the group.

REPORT

The Python workshop was successfully completed. Notice was issued four days before the workshop to students. The workshop was conducted from 6th Sep to 12th Sep 2022 in E-101 block from **11.00 am – 4.00 pm**. The speaker was **Rahul Rai**, from **GTT foundation**. The number of students benefited from the conduction of workshop are 56 students.

Objectives

- Work with user input to create fun and interactive programs
- Build basic programs using fundamental programming constructs like variables, conditional logic, looping, and functions
- Learn how to use class inheritance in Python for re-usability & exception handling in Python applications for error handling.

Content covered

- Students learnt the basic features of python, the advantages of Python over other programming languages.
- Python installation – Windows, Mac & Linux distribution for Anaconda Python.
- Deploying Python IDE. Basic Python commands, data types, variables, keywords and more.
- Even learnt the built-in data types in Python, classes, modules, Str(String), Ellipsis Object, Null Object, Ellipsis, Debug.
- Exception Handling topic is very important in python.
- What is Random List, running a Random list on Jupyter Notebook.

During the training following exercise where conducted:

Exercise-

1. Installing Python Anaconda for the Windows, Linux and Mac.
2. Write your first Python program, Write a Python Function (with and without parameters), Use Lambda expression, Write a class, Create a member function and a variable.
3. Demo on Database Connection using python and pulling the data.

Website: www.gsmozecoe.co.in Email: gsmoze@yahoo.co.in

4. How to import NumPy module, Creating array using ND-array, Calculating standard deviation on array of numbers, Calculating correlation between two variables.
5. Deploying Matplotlib for creating Pie, Scatter, Line, Histogram.
6. Demo on Exception Handling

Subject: Invitation for guest lecturer at civil engineering department GSMCOE

Respected Sir,

We introduce ourselves as G. S. Moze College of engineering Balewadi is affiliated to University of Pune and approved by AICTE New Delhi. The college runs five UG program.

Civil Engineering department is arranging guest lecture for final year students on “**Masters in Business Administration after Engineering**”. We request you to be a guest lecturer for above topic. Lecture will be of 1 hour and arranged on 16th of March 2023. All the necessary details will be shared with you once we get confirmation from you.

Looking forward for your positive consent in this regard.

Thanking you.

- **Objective of the Event**

The objective of the session was to make students aware about opportunities in “**Masters in Business Administration after Engineering**”

- **Brief information about the event**

The Department of Civil Engineering arranged session on “**Masters in Business Administration after Engineering**” on 16/03/2023. The Expert of the session was Dr. Manoj Meghrajani ,Pune. Fifty six students from BE civil engineering attended the session.

The workshop started with inauguration ceremony followed by introductory speech by Seema shiyekar, HOD Civil Engineering..

• EventPhotographs

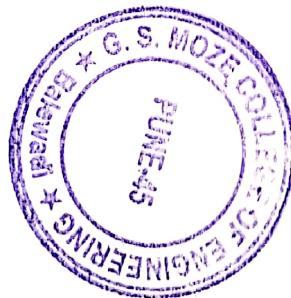

Guest lecture by Dr. Manoj Meghrajani at GSMCOE

The resource person thanked the organizers for arranging the session. The session was concluded by thanks giving speech by Prof. Nivedita Thorat, Assistant Professor. She thanked the resource person, Management, HoDs, Faculty members, participants and other officials for their active support for making the programme to be successful.

Department of Civil Engineering

Report for Add-on Course (Spoken Tutorial)

We have conducted spoken tutorial course as an add on course for students of Civil (SE) 2022-2023. The course was under the guidance of IIT Bombay. Civil students enrolled themselves online. 39 students got enrolled into this course provided.

The course was about QCAD Course. This course was conducted to enhance the practical skills of the students. It was a 48 hours duration course.

The course material was provided to the students online in the form of Videos and links. The students were assigned the task and they completed it within the given time frame.

Certificates of the students were generated successfully after the completion of the course.
