You can accept your offer of place and start your study before you enter New Zealand. You don't need a visa for this. We will contact you when it is time to apply for your visa. Then you can start planning for your travel to join us in person.

You can find information on remote learning support here. If you are in China you can study at home or join a University of Auckland China Learning Centre.

Are you **in New Zealand** right now?
You need a valid student visa before you start your program. INZ is processing onshore student visa applications.

To apply for a student visa, you must provide:

Get a jump start on the credits for your degree. Make new friends through the free extra-curricular experiences we will organize for you.

You should arrive at UWE, Bristol on the start date (Registration) as stated on your CAS details (overleaf). You should therefore make your arrangements to travel to the UK as soon as you receive your Student Route visa. If you are unable to arrive on the start date or by the latest start date, you must inform us immediately. You should arrange to arrive on campus and complete registration before the start of teaching. The final date of on-campus registration is the latest date we can accept students, however we would strongly recommend you arrive and complete registration as early as possible to avoid missing any teaching.

Note: The Latest Start Date as shown on your CAS is the date by which you have to be at university and attend lectures. If your CAS does not show a latest commencement date or you are unable to arrive by that date, please contact the International team at International@uwe.ac.uk for further advice.
You should contact us immediately if your visa application is unsuccessful (refused) and you MUST include your visa refusal letter.

Further Information

Student Immigration Information

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact international-admissions@brunel.ac.uk.

- **Estimated costs of living**

  From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the UK Council for International Student Affairs (UKCISA) website. Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).
- **Changing the course that you wish to study**

  Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: https://www.brunel.ac.uk/international/visas-and-immigration
