Terms And Conditions

1. The Services:
 - 1.01 Prime will provide the following Services during normal working hours:-

Examining the Lift Equipment regularly at periods⁶ in accordance with Government Regulations existing at the date of this Agreement and
Cleaning and adjusting the various component part of the Lift Equipment within the limits of site adjustment and oiling and greasing those parts which require lubrication; and
Responding as soon as reasonably possible to the Customer's request to attend to any breakdown or faulty operation of the Lift Equipment.
 - 1.02 The "Customer" accepts that:

"Prime" will deliver and replace or repair as per discretion of "Prime", parts (excluding those parts specifically excluded as per terms of this Contract") which are discovered to be potentially detrimental to the safety of the user, or to the efficient and cost effective operation of the equipment, and which require, in discretion of "Prime", immediate replacement / repair.
In the case of emergencies, Prime will respond as soon as is reasonably possible in all the circumstances and will take the necessary action to release passengers (where appropriate) and/or such other steps as Prime considers necessary to render the Lift Equipment safe.
 2. Responsibility of Customer:
 - 2.01 To ensure that the use of "The Equipment" will be restricted to the purpose for which it is intended, namely the convenience of passengers and/or goods, in a reasonable manner, taking due cognisance of the specified limits.
 - 2.02 To immediately inform "Prime" should "The Equipment" become inoperative.
 - 2.03 To immediately inform "Prime" should "The Equipment" become unsafe or malfunction, giving rise to risk of injury or damage to persons, property, or the equipment and shall supply to "Prime" all available information concerning any incident.
 - 2.04 To prevent during the currency of this agreement, any persons other than "Prime" or its duly authorised employees or agents from carrying out any work whatsoever on "The Equipment", without the prior written consent of "Prime".
 - 2.06.2 To ensure that "Prime's" workmen shall at all times have reasonable and undisturbed access to the installation.
 - 2.08 To allow unrestricted access to lift machine room for carrying out all necessary work. Will provide the machine room with adequate lighting, cooling, moisture control and ventilation as required to keep the equipment in optimum operating condition and cool enough to allow all personnel to work safely. The ambient temperature of lift machine room should be maintained Entry to machine room and lift equipment to be given only to personnel authorized by Prime .
 - 2.09 Not to use machine room as store room or as accommodation or for any other purpose other than lift equipment.
 - 2.10 To always keep machine room locked and the keys made available to Prime personnel as and when required.
 - 2.11 To keep and maintain the machine room in proper order and condition and to duly carry out the repairs that may be required to the machine room.
 3. Contract validity

This contract is valid for the period mentioned in "Period of contract" on page one of this contract document. Upon expiry of this period, the contract shall have to be renewed for
- further period with the revised prices, terms and conditions etc.
4. SPECIFIC EXCLUSIONS FROM "Prime" UNDERTAKING

Unless otherwise agreed in writing between the parties the following items are specifically excluded from this agreement and the costs thereof will not be to the account of Prime:

 - 4.01 Costs of Call Backs and repairs necessitated by reason of negligence or misuse of the installation, or by reason of any cause except normal usage, shall be borne by the "Customer". All damages due to rain, water, fire or any other calamity, acts of nature and God. Vandalism, Acts of Government, Strikes, Theft, Blasts, Explosions, Floods, Riots, Civil commotion, War, Malicious mischief, etc.
 - 4.02 Any work or replacement caused by interruption or variation of electrical current supply.
 - 4.03 Any other cause beyond Prime's control, except ordinary wear and tear.
 - 4.04 All work to motor room light fittings, doors, batteries, windows and ventilation, car enclosures, hoist way enclosures, car and landing door panels, surrounds, frames and sills, all finishes, landing doors, wall panels, suspended ceilings, lights, light diffusers, handrails, mirrors, glass sides, glass door, carpets or floor covering, buried plungers and piping, piping outside the machine room and hoist way, telephone, intercommunication systems, inter connecting cables to other areas, closed circuit television systems, power generating plants, special displays and lift shaft lighting.

Should any of the excluded items above require attention in the form of labour and/or materials, and if the Customer requests "Prime" to effect same, then "Customer" shall provide "Prime" with a separate order, and the "Customer" shall bear the costs.

 - 4.05 The installation of any additional equipment which is recommended or required by Government, Municipality, Insurance Company or any other authority. The costs of such additional work shall be borne by the "Customer" should "Prime" undertake to do the work.
 - 4.06 All other parts not manufactured or installed by Prime . Prime does not take responsibility for items of elevator equipment not included in the contract.
 - 4.07 The costs of any audits or inspections to the lifts, performed by Government or any other independent organization upon the request of the customer.

Prime will not be liable to the Customer or any other person whomsoever:

In respect of any loss or damage to persons or property sustained by the Customer or any other person howsoever caused except as may arise from the negligence of Prime its servants or agents.
consequence of such negligence and such as might reasonably have been contemplated by the parties and shall in no circumstances extend to any direct or consequential damage (economic or physical) of any kind whatsoever.
 - 8.01 Prime may terminate this Agreement without notice to the Customer if:-

If case of any outstanding not paid within time limit of the agreed payment date; or if in its opinion, any of the safeties are bypassed or tampered by unauthorized personnel.
or if the Customer shall not agree to any repairs and/or spare part replacements deemed necessary by Prime for the safe operation of the Lift equipment.

LIFTS**

Trusted name in vertical solution
AN ISO 9001 : 2008 Company

Terms And Condition for Prime Maintenance Contract (Annex 2)

1. Performance of the services

Prime performs the services using recognized services Prime observes the legal regulation including safety and other regulations of applicable national standards & applicable state rules for maintenance of elevators.

Prime will provide services on working days Monday – Saturday between 9 am to 6 pm
Additional charges will be invoiced outside these hours.

2. Exclusions

Maintenance which is necessary due to acts of God, abuse or misuse of the installation, overloading, vandalism, fire, water, humidity, war, terrorist acts, strikes, civil commotions or overvoltage of electric power supply lines is excluded from this contract. Also excluded from the services of Prime under this contract

are technical improvements replacement of batteries, light, bulbs in the shaft and machine room, correction of weakness, treatment of surfaces of components as e.g. painting and replacements of decorative elements, cleaning of building car and doors, complete cleaning of elevators. Not included in Prime services are maintenance works on the electric power supply cable or on telephone.

3. Intellectual property Rights

All intellectual property rights in the elevator including in the control software which enables routine operation, maintenance and repair of the elevator remain the property of Prime at all times. Prime may alter equipment and/or software to enhance the functionality of the control software installed in the equipment

If appropriate to Prime equipment's. This equipment is long life Prime property.

4. Duties of the Customer

To enable the services to be performed the customer must allow Prime access to all parts and tools required for service. The customer is obliged to notify defects damages and modifications immediately they come to his knowledge. The customer is remaining the operator of the installations. The legal obligation incumbent on him in this capacity is not affected by this Contract. Lock to machine room to be provided and restriction of unauthorized person other than Prime engineer. Cleaning of machine room and pit area regularly.

5. Payment agreements

The Remuneration covers dispatching, travel cost and travel time of services described in this contract.

Prime invoices shall be paid within 15 days of its date of issue.

If for any reason the payment due under this contract remain fully or partially unpaid by the customer for a period of 30 days from the date upon which the fell due, Prime reserves the right to charge the customer interest on due payments.

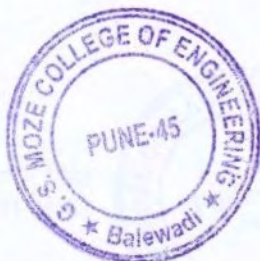

6. Right to Suspend the services

Prime is entitled to suspend services while not removing the customer's obligation to pay the full annual remuneration if customer fails to grant access to the installations or to pay the invoices when due.

The owner of the installation shall be liable for any failure of the installation during the suspension of services and shall indemnify Prime for any claims which may be asserted against Prime as a consequence of the suspension. Prime has right to stop service if any foreseen condition like intimation by Prime for parts replacement and not approved by customer.
