International Conference held at GSM COE, PUNE:

Students of G.S.M. College of Engineering has been honored with the prestigious award for the Most Interactive and Innovative Project at the 2024 International Conference held at GS Moze College of Engineering, Balewadi, Pune.

CAMPUS DRIVE:

Youricsoft organized a recruitment event on the college campus on May 22, 2025 for students studying Computer Engineering, and as a result, 4 students were chosen for internship positions.

MOZECHASAK Football Competition:
Our college achieved second place in this competition.

TECHNICAL EVENT:
TECHNOBASH 2024 blended the thrills of anime with technological advancements. It featured innovative themes that combined popular anime franchises like One Piece with cybersecurity, and Dragon Ball Z with cloud computing. The event showcased a functional IBAC (IoT, Blockchain, AI, Cloud Computing) prototype, demonstrating the innovation of our students. TECHNOBASH 2024 celebrated creativity and cutting-edge technology. The event included a technical game hunt for code, a coding challenge, and enjoyable non-tech games like Flash and test your luck.

Social Activity by IT Dept.
For little contribution, department of Information Technology, G.S.Moze College of Engineering , Balewadi Pune in collaboration with Redcross planned to helped Orphanage & Old-Age Home Savali Niwara Kendra, Pimpri by providing needy food items and spend some time with them on 30/01/2024.

Industrial Visit
The Department of Information Technology at our institute in ISRO Bengaluru emphasizes students' progress by allowing them to visit industries. This experience enhances their knowledge and boosts their confidence. These visits serve as a connection between academia and industry, preparing students for prosperous careers in engineering and related fields.

Technical Event
TECHNOBASH-2024
"The event served as a platform to showcase talent and innovation, while also providing opportunities for learning, networking, and collaboration. As we look back on the success of this year's event, we are dedicated to organizing similar initiatives in the future to enhance the academic and extracurricular experiences of students in technical field."
